

LAEDC2024

LATIN AMERICAN ELECTRON DEVICES CONFERENCE

GUATEMALA CITY, GUATEMALA
MAY 8-10, 2024

CALL FOR POSTERS

IEEE LAEDC is the premiere Latin-American Electron Devices and related fields conference sponsored by IEEE's Electron Device Society (EDS). At LAEDC 2024 you can submit an article for its poster session. Posters offers the opportunity to present research work in progress to experts and receive valuable feedback. The session encourages networking and discussion among peers, which may lead to possible collaborative efforts in the region. Please let the EDS community know about your work and take part of a vibrant academic network.

Submitted works will be judged based on their originality, methodological quality and obtained preliminary results. The best posters presented in the conference will be considered for publication in a special issue of the Journal of the Electron Devices Society JEDS at a highly discounted rate.

Topics of interest include

- All electron-based devices
- Semiconductor, MEMS, and Nanotechnologies
- Packaging, 3D integration
- Sensors and actuators
- Display technology
- Modeling and simulation
- Reliability and yield
- Device characterization
- Energy harvesting
- Agrivoltaic
- Biomedical Devices
- Circuit-device interaction
- Novel materials and process modules
- Technology roadmaps
- Electron device engineering education
- Electron device outreach
- Optoelectronics, photovoltaic and photonic devices and systems
- Humanitarian Projects
- Flexible Electronic
- 2D Materials and Devices

Follow all details and instructions visiting our conference web site:
