STEAM 2014 Events

Come on out to the following "STEAM Rocks!" (Science, Technology, Engineering, Art, and Math) events scheduled for the 2013/2014 school year where we will be encouraging 5th graders to participate in various hands on activities related to maglev vehicles, wind turbines, solar cars, and more. These hands on activities are funded by the IEEE Orlando Section and the Florida Engineering Foundation. You will be volunteering alongside fellow engineering and technology students from Valencia, UCF, and DeVry as well as local area engineers helping 5th grade students to become excited about science, technology, engineering, art, and math and to see how these subjects are all interconnected as they complete various hands on projects.

Friday, February 28, 2014 from 4 PM until 6 PM at Robinswood Middle School

Friday, April 4, 2014 from 1 PM until 3 PM at Tildenville Elementary School
1221 Brick Road
Winter Garden, FL 34787
(407) 877-5054
