Space Administration

# ROBOTS & ROCKETS

Forty-five U.S. university teams will operate their robotic excavators to mine terrestrial soil in a race against the clock!

## HIGHLIGHTS

- K-12 grade students are invited to join us in the Exploration Station in the Center for Space Education as we build and program **LEGO® Mindstorms® NXT robots!**
- **FIRST® Robotics Teams** will display and demonstrate their **FIRST®** robots.
- High school sophomores, juniors and seniors are invited to participate in the Robotic Mining Competition College Recruitment Fair.

## NASA's *Fifth Annual* **Robotic Mining Competition** **May 19-23, 2014** **Kennedy Space Center Visitor Complex**
