

IEEE-USA presents:

Melbourne and Canaveral IEEE Section Full-day Consulting Workshop

November 15, 2014

8:30 am – 4:15 pm

Holiday Inn Express & Suites

301 Tucker Lane, Cocoa, FL 32926

The IEEE-USA Alliance of IEEE Consultants' Networks Coordinating Committee and the IEEE Canaveral and Melbourne Sections invite you to attend a full day Consultant Workshop that will cover a range of issues that will interest not only practicing consultants, but anyone who might be considering consulting as a professional option - either now or in the future. The slate of expert speakers will include nationally recognized leaders from IEEE, and local professionals especially relevant to Brevard County. Among the guest speakers will be Dr. Gary Blank, 2014 President of IEEE-USA.

Topics will include how to determine if consulting is right for you, setting up your consulting business, improving your networking skills, achieving professional success through personal growth, and special information about consulting in Brevard County.

Light breakfast and a box lunch (Jersey Mike's) will be provided.

Non-IEEE Members are welcome!

Registration Fee (includes all materials and food)

\$30	IEEE Members
\$40	Non-IEEE Members
