

PLAIN TALK

The IEEE Power & Energy Society's Practical Education Courses for Industry Professionals.

Electric Power Education for Industry Professionals!

- Are you a professional working in or with the Power Industry who would like to learn more about the Electric Power System?
- Would you like to learn more about the technical aspects of the industry in a format that is geared to non-technical professionals?
- Are you an engineer new to the industry, or working in another industry who would like to transition to the Power Industry?

If you answered YES to any of these questions, register NOW for "Plain Talk about the Electric Power Industry." These courses will provide you with the practical knowledge you need to help you understand the electric power system and enable you to apply that knowledge to your job so you can work more effectively.
