IEEE Valencia First Semester Meeting (1/26/16). Elections to be held, three candidates for Vice Chair, one for Secretary, one for Public Relations.

Using Facebook and Listserv, information regarding semester dates-of-events was released as well as continued announcement of Valencia College IEEE open officer positions.

IEEE and Florida Engineering Society (FES) teamed up to discuss how video games (Wii) promotes physical health, and increased hand-eye coordination. Promotion of meetings and Engineers Week distributed.

Intro to Engineering seminar (1/25/16) introduce about 195-200 students to IEEE at Valencia.

Engineers Week (2/8/16-2/12/16) – Project showcase had Six (6) STEM students (of which three (3) were IEEE students), showcased a project they have built or working on. First ever Engineering Camp at Valencia College for invited high school students as part of Academy of Engineers. High School students learned to build a circuit, and program a servo on a microcontroller (Arduino) using a photo-resistor to activate motion.

Facebook outreach statistics: 177 people have been reached, an increase of 157% mid-Jan to mid-Feb.

Bylaws/Communications/Publications

Jorge Medina

Website communications update: <http://www.ewh.ieee.org/r3/orlando/2016/Feb/index.html>

Orlando Section Bylaws require review and make suggestions on any necessary updates. Need to modify Section governance document (an addendum to the operating procedures). Jorge provided progress report on committee efforts. Committee suggested the Section Secretary contact local chapter chairs to see who is active. Review committee will come back with formal motions to be presented to Excom for review on March 1, with targeted approval decision at the April Excom meeting.
