

**IEEE Toledo section presents:**

# **The O-I (Owens-Illinois) Leading Glass Bottle Manufacturer, Global Headquarter On-site Tour**

**Join for this interesting and informative tour and learn more about the related processes and equipment for manufacturing Glass bottles. A discussion of the plant operation and equipment will precede the tour.**

\* Please, wear pants, suitable walking shoes typical for a plant tour (close toed shoes), and no high heels. Safety glasses will be provided.

**Date: March 27th (Friday), 2015**

**Time: 10:00 AM to 11:30 AM.**

**Location: GLOBAL HEADQUARTER of the O-I (Owens-Illinois) Leading Glass Bottle Manufacturer,  
One Michael Owens Way  
Perrysburg, OH 43551-2999, USA  
567-336-5000  
(It's about 30 minutes driving from University of Toledo)**

For visitors who plan to come individually rather than carpooling, we will meet each other at Location: Plaza 4 at 10 Am)

To reserve for this tour (It's Free for all attendees, there is room for only **16** visitors), please **RSVP** to Behin Elahi (IEEE Toledo section Member at Large and officer) at [behin.elahi@rockets.utoledo.edu](mailto:behin.elahi@rockets.utoledo.edu) ; [behinelahi@gmail.com](mailto:behinelahi@gmail.com)

We can also plan for carpools from University of Toledo, Engineering College.
