

Accra, Ghana • 27-30 June 2017

PowerAfrica 2017 will be a platform for participants from academia, electric utilities and industry to discuss experiences, best practices and associated technical developments that can be applied towards the electrification of Africa enabling socio-economic development. Power delivery regulations, investments and policies will also be addressed.

LEND YOUR SUPPORT TO POWER AFRICA

As a supporter, you have the opportunity to gain visibility and credibility amongst key players and individuals working in Europe, Asia and Africa. You will also be positioned as a leader to these attendees coming to learn, discuss, and interact with regional experts that promote and prioritize the use of information and sensing technology, citizen engagement, quality of life, manufacturing efficiency, economic development, and environmental sustainability. Supporters will be prominently recognized both at the event and on the Power Africa website.
