Subject: IEEE EMC Society Founders: War Stories

Speaker: Jerry Ramie, ARC Technical

Abstract:

At the 2007 IEEE EMC Symposium in Honolulu, several founders of the IEEE Electromagnetic Compatibility Society gave their recollections of the founding and the early days of the EMC Society. The video of this event is posted at the IEEE global history network. It lets six of the founding members of the EMC Society tell the: "war stories," that they thought were important in their careers. It's funny, serious, touching and always true to life, including many photos of the people, places and things that are discussed.

Speaker Bio:

The presenter, Jerry Ramie, is a Senior Member of the IEEE, the local EMC Society Chapter and received two awards for this Presentation; a Certificate of Appreciation from the EMC Society and a Recognition Award from the 50th Anniversary Committee. He has recently been appointed a Distinguished Lecturer of the IEEE.

Refreshments:

Light Dinner and beverages will be served for a fee. Coffee, tea, and snacks are served free of charge.
