4. Meetings and Publications - R. L. Capra
5. Technical Council - K. I. Gray

**Subcommittee Reports**

6. High Voltage Fuse - L. R. Beard
7. High Voltages Switches - A. Monroe
8. Low Voltage Switchgear Devices - M. D. Sigmon
9. Reclosers and Sectionalizers - L. V. McCall
10. Switchgear Assemblies - S. C. Atkinson
11. Education, Recognition, and Planning - E. F. Ververka
12. High Voltage Circuit Breaker - R. Garzon

**ADSCOM Working Groups and Task Forces**

13. Nuclear Liaison Report - L. W. Gausa
14. Working Group on Insulating Materials - L. V. McCall
15. IEEE Standards Board - D. Peelo
16. PES Standards Coordinating Committee - D. Peelo
17. ASC C37 = E. Byron
18. IEC 17A Working Group 21 Task Force 10 - R. O'Leary

**Old Business**

19.

**New Business**

20. Future Meetings - See Attached
21. Membership Changes - See Attached
22. Interpretations of Standards (None)

**Closing**

## Old Business

None to report

## New Business

- ADSCOM voted negative to give the Switchgear vote for ASC until it can be further reviewed by the appropriate Switchgear Committee.
- A new ADSCOM Working Group on SF6 is to be formed at the Spring 96 meeting.
- A discussion was held to have IEEE Headquarters give a presentation on membership in the technical subcommittee to the utilities.
- Tech Council is asking for the Switchgear Committee goals for 1996 and any input should go to Keith Gray by mid-November.
- ADSCOM voted and approved the following for incorporation in all standards in the Switchgear committee.

A/R ratio = 17

2.6 Peak Factor

1.55 Asym value to be used

- Place and time of future meetings.
  - o Ft. Lauderdale, Florida - May 6-9, 1996 Sheraton Yankee Trader
  - o San Antonio, Texas - September 30 - October 3, 1996 Hilton Palaceio Del Rio
  - o Williamsburg VA - Spring 1997
  - o Reno, Nevada - Fall 1997 }Tentative
- Membership changes:  
  
See attached.
