

# **C37.21**

## **May 2001 – Charleston**

Doug Edwards  
May 21, 2001

C37.21 Working Group met on Monday, May 21, 2001.

**Attendance:** Three members and Three Guest

**Document Status:** C37.21 Draft 7 was distributed and discussed.

### **Discussions:**

#### **1. Editorial Corrections**

A handful of editorial corrections were identified.

#### **2. Definitions and Figure**

Figure with drawings of typical switchboards will be replaced with new improved quality drawing. Definitions of items associated with this figure will remain although they exist in C37.100.

### **Action Items**

#### **3. Ballot Request**

Revised draft from meeting will be distributed to Switchgear Assemblies Sub-Committee for comments. Ballot is requested – WG concludes that standard is ready.
