

C37.27
Spring 2002 – Newport, Rhode Island

Doug Edwards
April 30, 2002

Administrative Items:

PAR for C37.27 will be submitted for upcoming NesCom meeting – prior to May 3, 2002 deadline.

C37.27 was reaffirmed in 1998. Present action required is none. If needed, a two-year extension will be requested as needed based on revision work of Working Group in Spring of 2003.

Forecast is that WG will be able to complete the revision and balloting process within 2003 to 2005 schedule.

Major Issues discussed:

No action has been taken with C37.27. Draft 1 will be produced and submitted to Working Group by end of May for collection of comments and kick-off of work.

Note: C37.27 Working Group works concurrent with C37.13.
C37.13 WG met on Tuesday, April 30, 2002 with 3 members and 8 guests.
