

C37.21

Fall 2002 – Galveston, TX

Doug Edwards
October 2, 2002

C37.21 Working Group met on Monday, September with 4 members and 5 guests.

Administrative Items:

1. C37.21 has approval to ballot.
2. WG Chair has been revised from Dave Gohil to Doug Edwards. IEEE made update in their records and then missed update of Websites. Per October 1, 2002 email, Jodi Haasz has requested website update.
3. Request editorial review by IEEE was not completed. Draft 9 will be submitted for editorial review in October.
4. Balloting process will not be initiated until after Draft 9 comments are received back.

Substantive Issues Discussed:

5. Editorial Review
Nearly complete read through occurred for editorial review of standards.
6. Descriptive Type of Switchboards
Modified types of switchboards to include description of cabinets mounted on equipment. Intention is to allow usage of C37.21 in conjunction with other equipment.
