C37.21 Working Group Report
Montreal, Canada Quebec
October 5, 2005

C37.21 Control Switchboards

PC37.21 Working Group did not meet in Montreal during fall 2005 meetings.

1. PC37.21/D18 ballot was approved by IEEE-SA Standards Board on June 9, 2005.
2. The deadline for comments to ANSI was September 20, 2005.
3. Document has been routed to IEEE Editors and is pending review.
4. Once published, request disbanding WG at Spring 2006 SA Sub-committee meeting.

D. Edwards, PE
PC37.21 WG Chair
