Report to IEEE SWC, S/C: Adscom

**WG Partial Discharge PC37.301, St-Pete Beach, Florida,
7 May 2007**

1. Meeting

WG met from 8h00 to 9h45, 14 persons attended.

2. WG or TF decision

The WG approved a motion to:

Adopt the IEC 60270 document and produce a recommended practice for partial discharge measurement on switchgears.

3. Course of action

A first draft will be prepared and circulated to the WG members before the fall 2007 meeting.
