

Special Report to IEEE SWC, S/C: Adscom Fall 2007 meeting and STL-TC meeting

1. Introduction

STLNA will be the host of the next STL-TC meeting that takes place at fall. STLNA invited STL-TC to hold their meeting on Thursday and Friday following the IEEE SWC fall 2007 meeting. STLNA also invited the STL-TC members to attend the IEEE SWC meeting.

2. Needs

The STL-TC meetings have a duration of 1,5 day, it is thus planned to be on Thursday, 18 October 2007, for all day, and on Friday, 19 October, for half day, in the morning.

Per the latest STL-TC chairman, Mr Ettore Figini, the projected attendance, including 5 guests from STLNA is expected to be 25.

There is a need for a screen. STLNA will provide the electronic projector and the cords to connect each participant portable computers. (these meetings should now be no paper meeting, all electronic files).
