

MINUTES FOR C37.30.3 INTERRUPTER SWITCH TASK FORCE

Denver, CO
Sept. 28, 2009

The TF meeting started Monday 8:00 am with introductions and review of the Patent Disclosure Slides.

Discussion of Interrupter Switch Product Code

- IEEE 1247 switches
- C37. Interrupter Switch Items removed during consolidation C37.30.1

The group started work on a Scope and Purpose.

- Items for inclusion in Scope and Purpose were discussed. The C37.30.1 Scope and IEE1247 Scope were also reviewed.
- Work began with the assumption that C37.30.3 would become the product code standard for interrupter switch and IEEE 1247 would become the interrupter test code.

Meeting adjourned to be reconvened after the C37.30.1 WG meeting Monday afternoon.

Meeting reconvened and continued to develop Scope and Purpose.

Meeting adjourned to be reconvened after the Switch Subcommittee Meeting on Wed.

Meeting adjourned.

Dan Konkle, TF Chairman.
