In the case of working groups that have completed their work, the entries in the table indicate the final membership of the working group for the most recent edition of the document.

For recently completed projects, the membership listing gives the WG members when the project was completed.

**Note:** Working group chairs must submit the membership of the working group to [j.haasz@ieee.org](mailto:j.haasz@ieee.org) annually following the Switchgear Meeting. This is required in order to comply with IEEE-SA regulations concerning indemnification. The form for this submittal is available at <http://standards.ieee.org/guides/par/roster.xls>

**Note:** for e-mail addresses, phone and fax #'s, company affiliations and addresses of any member, refer to the Switchgear Committee web site at:
