

RODE PC37.63 WG, Sectionalizers

May, 2013, Post San Diego

Co-Chairs: Dave Stone, Craig Befus

Final Report

The Working Group for the revision of C37.63-2005 held its final meeting at the October 2012 meeting in San Diego, CA.

Two additional recirculation ballots were carried out after the San Diego meeting to resolve a few negative votes and editorial comments, the final ballot closing on January 8, 2013 with 96% approval.

The final draft was approved by IEEE RevCom and the Standards Board at their meetings in March 2013. After and editorial review by IEEE Staff, the 2013 edition was published on April 26, 2013.
