Ken Edwards
Bonneville Power Admin.
TESM/AMPN-2, POB 491
Vancouver, WA 98666
360 – 418 - 8204
k.s.edwards@ieee.org

ERP Subcommittee Minutes- Spring 2014 Orlando, FL

Since F13 ERP meeting the Subcommittee held a conference call November 14, 2013 to finalize PES and TC nominations. The Committee met in Orlando on May 7, 2014 with 13 members in attendance.

1. MoM from Fall 2013 were approved.
2. Mietek notified the members of the awards we have received from IEEE-PES.
3. Ted discussed IEEE-SA awards: SA International Awards and Standards Medallion. The nomination deadline for both is July 31. Nominations need strong endorsements. Please see URL of IEEE-SA for description of these awards.
4. Ken Edwards will review and summarize the Tech Council awards at the Fall 14 ERP meeting so we can consider how/whether to apply.
5. Leslie F. will start actively promoting writing technical transaction papers by the SWGR members. Leslie will also present a short “tutorial” how to write technical papers at the F14 Tue Luncheon.
6. Leslie and Roy will start actively promoting IEEE Fellow nominations. As the first step there will be Tue luncheons of IEEE Fellows “friendly” to IEEE SWGR who are familiar with the potential nominees.
7. ERP voted to elevate Roy Alexander to Honorary Member of the Committee. Ken E (webmaster) to update the Honorary Members list on the web page.
8. Mietek asked for a volunteer to start taking over the ERP Chairmanship (John Webb volunteered).

Submitted by Mietek Glinkowski
