

Larry Farr
May 5, 2014

To: Working Group C37.24

Re: Minutes of Spring C37.24 Meeting May 5, 2014

Location: Contemporary in Orlando, FL.

Meeting was opened by Larry Farr with introduction of the subject which is to update the Guide C37.24.

All members introduced themselves and who they represent see attached signup sheet.

A discussion of the specification was undertaken and the following standards were accepted to be reviewed by the working group:

Mike LaFond	IEEE C37.20.1
Tom Hawkins	IEEE C37.23
Garett Sims	IEEE C37.2 and C37.3
Larry Farr	IEEE C37.21

Larry Farr will send the Draft Copy of C37.24 to the Working Group along with the comment sheet to use.

The group will review the standard and submit their comments to Larry by the end of June.

The comments will be compiled by Larry and resubmitted to the WG by Aug in time for the September Asheville Meeting.

The meeting was ended.

Respectfully submitted

Larry Farr

Principal Engineer
