

Policies and Procedures for Standards Development for the Switchgear Committee

- Informational:
 - The draft of the revised Switchgear Committee policies and procedures (relative to standards activities) submitted to the main committee membership via E-Mail on 5-October-2017 is open for a vote to approve and comments from main committee members until 4-November-2017.
- Therefore it is so moved:
 - Ted Olsen is authorized to submit the draft for consideration by AudCom (note: deadline for submittal to AudCom for consideration at the December 2017 meeting is 16-October-2017, hence we need to submit to AudCom while balloting / comments for main committee are in process)
 - Comments and votes received by 4-November-2017 will be considered and Ted Olsen is authorized to make necessary changes, with approval of the Switchgear Committee officers (chair, vice-chair, and secretary/treasurer).
 - Ted Olsen is authorized to make changes necessary to obtain AudCom acceptance of the draft policies and procedures,
