Xi Zhu

Xi traveled the world and made friends every where he went.

Xi Zhu

We knew Xi as a great engineer. He was really a dedicated family man. He was married to Ping Gu in 1988.

Xi Zhu

Jessie's high school graduation.

When he passed some of his friends started a go fund me page for his 18-year-old daughters' education. Over 334 donors gave to the Go-Fund-Me. He made friends everywhere.
