

STLNA Liaison Report to the IEEE PES Switchgear Committee

Fall 2021: Virtual Meeting. October 14, 2021

Chair: Victor Savulyak **Secretary** Brian Marchionini **Technical Liaison Director:** Chris Morton

Meeting Highlights

1. **The STLNA met on Thursday, October 14, 2021. There were (15) in attendance. Six out of eight member labs were represented and quorum was confirmed.**
2. **Technical Liaison Director Chris Morton (Powertech) and Chair Victor Savulyak (KEMA) represented STLNA on STL Technical Committee Virtual Meeting in March 2021.**
 - a. STLNA adjusted and submitted Guide for IEC 60282-1 & -2 which were approved without any corrections.
3. **Technical Discussions:**
 - a. STLNA continue responsibility for STL Guides for IEC 60282-1 & -2. New revision of IEC 60282-1 Current-limiting fuses of 2020 was issued, and new Guide is needed. Work started and will continue for submission of the Guide Draft to STL TC on spring 2022 meeting.
 - b. STLNA continue representation in STL TG 15 IEC 62271-111 Automatic circuit reclosers.
