Dear Friends:

On behalf of the people of Michigan, it gives me great pleasure to welcome you to the 2013 Fall Conference for the Institute of Electrical and Electronics Engineers (IEEE) hosted by the Southeast Michigan Section.

I would like to applaud this yearly affair that seeks to promote and support the career and public policy interests of IEEE members in the U.S. and in the Southeastern Michigan region. It brings me great pleasure to see this important profession preserved, and I would like to thank you for making this event a yearly occurrence.

Again, welcome to the 2013 Fall Conference for the Institute of Electrical and Electronics Engineers (IEEE) hosted by the Southeast Michigan Section. As you gather for thoughtful discussion and fellowship, please accept my very best wishes for an enjoyable and memorable event.

Sincerely,

A handwritten signature in black ink that reads "Rick Snyder".
