- Life Members Affinity Group Joint with EMBS
- Monthly Meeting with presenters of diverse technologies
  
- Attendees 24 total

## Approval of Previous Minutes

None presented or discussed

## Reports

Scott added that Vtools shows that we have now held 69 meetings thus far this year. This will be a big plus in our submission for the IEEE Global Achievement Award that we have been awarded in the past and that with 32 only meetings last year we have once again shown our efforts bringing great results.

Warren Conner introduced the Guest Speaker

James Voeller attorney

<https://voellerlaw.com/>

The presentation was about Estate planning. It was very enlightening and thorough with great audience participation. This information had very important information and was well attended.
