

IEEE-SA Global Engagement

Update for IEEE 802

Jodi Haasz

International Affairs Senior Manager

28 June 2017

Activities since November 2016

■ Europe

- During the SASB series in Milan, IEEE-SA held a meeting with Telecom Italia, which included discussion of current IEEE 802 activities relevant to 5G, IoT and automotive
- A meeting was held with the European Commission on some key IEEE standards activities, which included presentation and discussion of current IEEE 802.11 activities relevant to 5G, IoT and automotive by Dorothy Stanley, IEEE 802.11 WG Vice Chair, as well as participation by David Law, IEEE 802.3 WG Chair and IEEE Representative to the MSP (European Multi-Stakeholder Platform on ICT Standardisation)

■ Asia

- IEEE 802 5G workshops held in Taiwan and Hong Kong as part of the SASB outreach program
- Dorothy Stanley was invited to speak at the Internet of Things & Wireless Symposium organized by the Federation of Hong Kong Industry in May
