4.00	II	IEEE Staff Introductions	Nikolich	3	08:08 AM

Chair presented Slide #3 - #4 of attached presentation, ec-18-0198-03-00EC-nov-2018-802-chair-opening-ec-meeting-slide-deck.pdf.

Arrangements have been made for remote support via webex. Unsatisfaction with this arrangement was expressed by the 802.1 Chair. It was requested to be noted that previously there was an excess of staff that did not interface with 802, but it had been requested that support be provided for 802 Plenaries. It was suggested that at a minimum the following should be present: EC staff liaison, editing representative, and the liaison to the respective working groups. It was noted that travel could be supported if staff did not travel via business class. It was suggested that a response should be provided to the IEEE-SA. It was noted that concerns have been expressed that consistent support of interims would limit budget for support of plenary events. Both sides of problem need to be understood. Concern expressed that this type of support would repeat in the future.

Chair noted that 15 min would be allocated during Task Force meeting to work on a response.

4.01	MI*	Fee Waivers: Invited Guests: Motion: Approve meeting fee waivers for the Jul 2018 LMSC session for the following individuals: Russ Housley, IETF Delegate Masanori Kando, Deputy Secretary General of APT M: Holcomb S: Stanley	Nikolich	0	08:11 AM

Glenn thanked the EC membership for their well wishes while he was gone. The Chair thanked John Messenger and Jessy Royer for their support in Glenn's absence.

It was suggested that a breakfast meeting would also be efficient for members of the EC to meet with the attending Fellows. Comment on geographic diversity was made.

The First Vice Chair had a senior moment and tried to address an agenda item out of order.
