This item was originally on the consent agenda, but Mr. Rosdahl had requested that the item be pulled from it. The Chair asked Mr. Rosdahl to explain his request, who gave a verbal summary which focused on the request of the 3-year PAR extension. Mr. Parsons noted that he had spoken with the editor and noted it had been suggested to change to two years. It was also suggested that more of an explanation be provided. Dorothy Stanley suggested other editorial changes.
