Subject: Liaison reply to Liaison SG15-LS80, "LS on 100 Gb/s bidirectional point-to-point optical access" dated 1 December 2023

Approval: Agreed at IEEE 802.3 interim meeting, Annapolis, MD, USA, 16 May 2024

Dear Mr Parsons and members of ITU-T SG15,

The IEEE P802.3dk Task Force would like to thank you for sharing the progress and the re-consented draft of ITU-T G.9806 Amendment 3 on "Higher speed bidirectional, single fibre, point-to-point optical access system (HS-PtP)".

The IEEE P802.3dk Task Force met during January, February, March, April, and May 2024 and continued its baseline selection process. Motions specifying 100 Gb/s bidirectional optical access for 20 km and 40 km objectives were passed in the IEEE P802.3dk Task Force meetings. Meeting materials may be found at <https://www.ieee802.org/3/dk/public/index.html>.

¹ This document solely represents the views of the IEEE 802.3 Working Group and does not necessarily represent a position of the IEEE, the IEEE Standards Association, or IEEE 802.

We look forward to the continued collaboration between our two groups. Individuals interested in participating in the work of the IEEE P802.3dk Task Force may find further information at <https://www.ieee802.org/3/dk/index.html>.

Sincerely,
David Law
Chair, IEEE 802.3 Ethernet Working Group
