**Re:** []

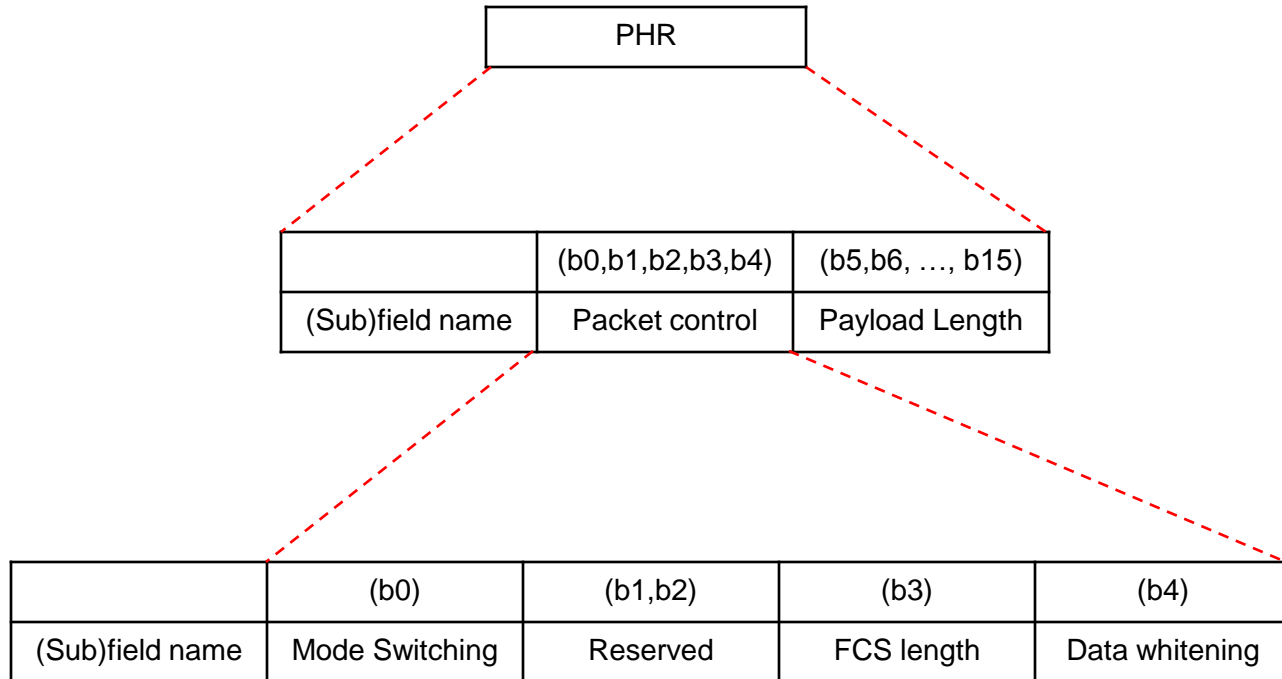

**Abstract:** []

**Purpose:** [Proposed resolution for comment on bit order transmission for PHR fields. Presented to the 802.15.4g SUN Task Group for consideration.]

**Notice:** This document has been prepared to assist the IEEE P802.15. It is offered as a basis for discussion and is not binding on the contributing individual(s) or organization(s). The material in this document is subject to change in form and content after further study. The contributor(s) reserve(s) the right to add, amend or withdraw material contained herein.

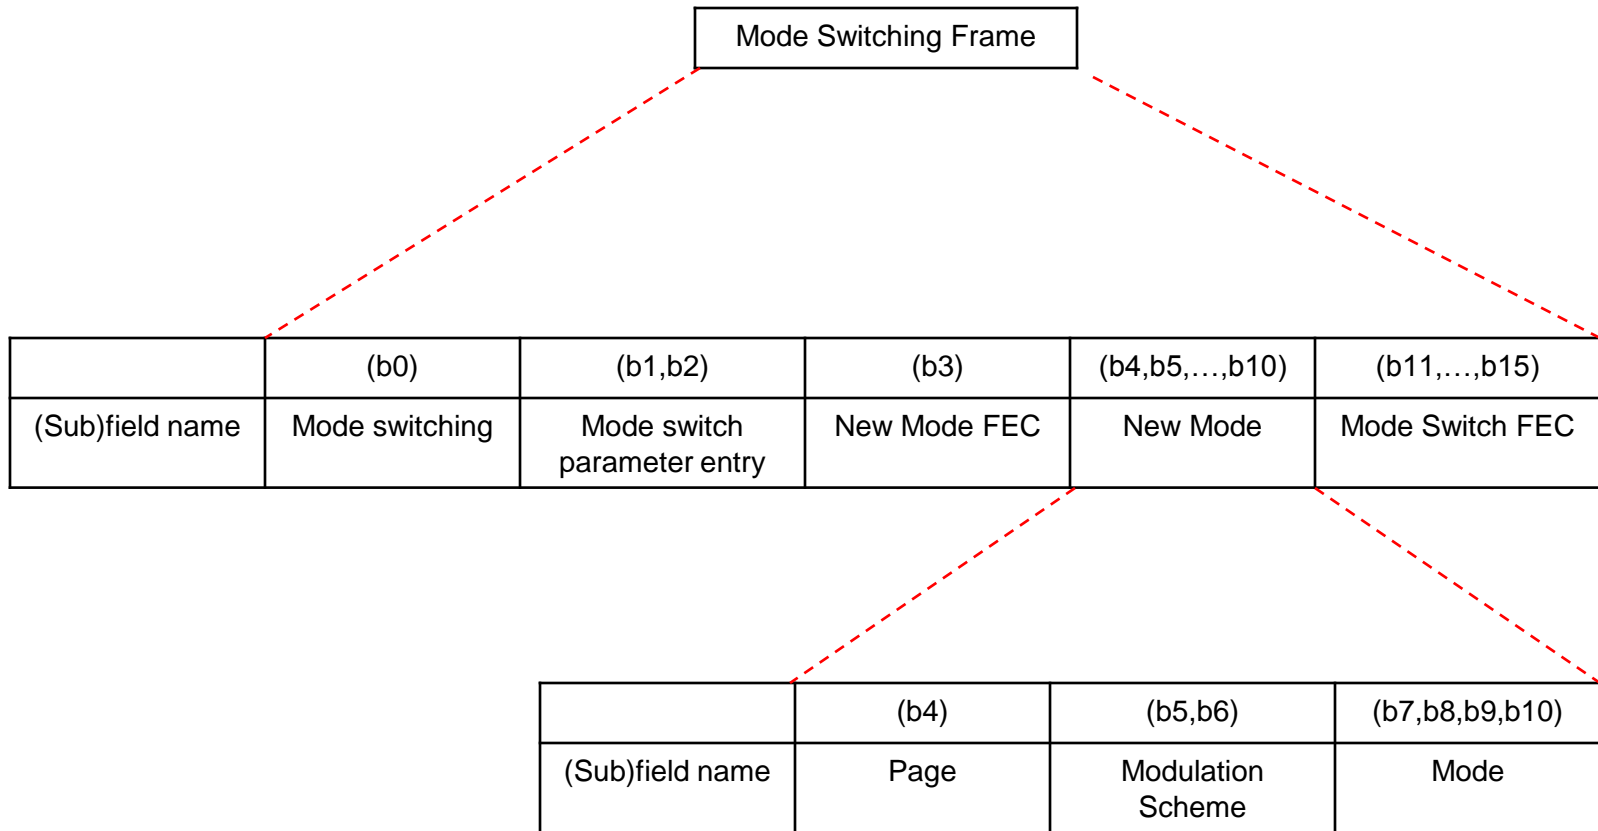

**Release:** The contributor acknowledges and accepts that this contribution becomes the property of IEEE and may be made publicly available by P802.15.

# Transmission order for PHR bits

- Add the following statement: *The PHR is transmitted starting from the leftmost bit (b0).*

# Transmission order for Mode Switching Frame bits

- Add the following statement: *The Mode Switching Frame is transmitted starting from the leftmost bit (b0).*
