Followup plans  
Output report  
Adjourn

**Minutes**

- Roger Marks called the meeting to order. Approximately 10 people attended.
- Marks introduced the Interest Group. No volunteer secretary was identified, so Marks agreed to provide minutes.
- Marks reviewed his proposed agenda. Contributions are listed below. A revised agenda IEEE 802.15-15-0054-01 was approved, as shown above.
- Marks reviewed the IEEE-SA patent slides relevant to pre-PAR activities.
- Junhyeong Kim of ETRI presented IEEE 802.15-15-0044-00
- Bing Hui of ETRI presented IEEE 802.15-15-0045-00
- Minsoo Kang of ETRI presented IEEE 802.15-15-0050-00
- Roger Marks presented IEEE 802.15-15-0035-00 on behalf of Ching-Tarng Hsieh, Industrial Technology Research Institute
- Followup plans:
  - Marks will discuss output with 802.15 Chair's Advisory Committee, 14 Jan.
  - Will plan for continuation of IG
  - Request one meeting slot at March 802 Plenary
  - Identify an IG Chair and ensure engagement before and during March meeting
  - Develop an announcement and Call for Participation for approval during March meeting
  - Minutes will be issued as the output report
  - Adjourned: 15:50

## Input Contributions

35	0	IG HRRC	Introduction to Taiwan High Speed Rail Broadband System	Ching-Tarng Hsieh, Industrial Technology Research Institute	13-Jan-2015 13:40:11 ET	<a href="#">Download</a>
50	0	IG HRRC	Considerations of frequency resources for fast moving mobile backhaul	Minso KANG (ETRI)	13-Jan-2015 11:07:49 ET	<a href="#">Download</a>
45	0	IG HRRC	mmWave Wireless Backhauling for High Rate Mobile Hotspot Network	BING HUI (ETRI)	13-Jan-2015 08:41:42 ET	<a href="#">Download</a>
44	0	IG HRRC	Introduction to mobile Internet service in fast moving vehicles	Junhyeong Kim (ETRI)	13-Jan-2015 08:38:12 ET	<a href="#">Download</a>
