Abstract

Minutes of the IEEE 802.15.4 2020 Cor1 virtual Plenary Nov meeting

These are the Minutes of the IEEE 15.4 2020 Cor1 Plenary meeting

Thursday, 5 Nov, 2020, PM3

Chair called the meeting to order at 3:03 PM PST.

Reviewed the opening report/ Agenda, doc# 323rev01

Went through meeting, patent, and other IEEE guidelines.

And called for potential essential patents, *nothing heard*.

The following motion was made: Approve the Agenda per doc#323-00

Moved by: Clint Powell (PWC)

Seconded by: Ruben Salazar (L+G)

No discussion or objection heard on the motion.

Agenda approved by unanimous consent.

Another Motion: Approve the meeting minutes per doc#273-00

Moved by: Clint Powell (PWC)

Seconded by: Phil Beecher (Wi-SUN Alliance)

No discussion or objections heard.

Meeting minutes approved by unanimous consent.

Kunal goes through the 15.4 2020 Cor1 PAR document that was approved by the WG during the July Plenary and also the PAR document approved by NesCom.

Kunal mentions that there is dysconnectivity between the PAR approved by WG and PAR that is approved by NesCom, as earlier version of the PAR was submitted to NesCom by mistake.

Kunal to work with WG chair to correct that mistake and get the correct PAR on the IEEE SA web link.

Chair asks for any questions/ comments on the PAR document.

Chair goes through the document# 171-00 and present the technical error and proposed resolution

JS Jiang goes through the proposal doc#305rev01

There is a comment on the proposal, is the gain in the sensitivity is when PHR2 is used in addition to the current PHR.

There is also comment on the changes proposed are in scope of the Cor2 or needs to be a separate amendment.

Chair suggest that if the technical error requires to be fixed which is not functional per currently specified in the standard, which needs to be address in the corrigendum group. Anything related to the enhancement feature should be considered as the amendment to the standard.

Chair asks for any other technical error that the member wish to discuss with the group.

Clint brings up one editorial comment, who agreed to present during the Nov 9th call.

The meeting is recessed until 9th Nov, 2020.
