Re: 802.15.4 2020 Cor1 Closing Report for Virtual Nov Plenary Meeting

Abstract: Closing Report for 802.15.4 2020 Cor1 meeting for Virtual Nov Plenary Meeting.

Purpose: Provide information which kind of changes are needed to the standard.

IEEE 802.15.4 2020 Cor1 Closing report

Nov 9, 2020

Kunal Shah

IEEE 802.15.4 2020 Cor1 Chair

802.15.4 2020 Cor1Scope

Project:

This corrigendum corrects errors found in IEEE Std 802.15.4-2020.

Achievements

✓2 sessions held during this plenary

✓Reviewed PAR

✓Review technical error from WNG

✓Heard two proposals on the technical errors found in IEEE 802.15.4-2020

✓Draft timeline discussed

Plan until Jan Interim

- Hear additional proposals
  - Teleconference – Dec 16th at 1500 PST
- Develop draft based on the proposals heard

Timeline

- TG formation   Sep 2020
- Call for Proposals   Oct 2020
- Presentation of Proposals   Nov 2020
- Draft based on proposals   Jan 2021
- Start Letter Ballot   Mar 2021
- LB comment resolution + 2 recirculations   May 2021
- Sponsor Ballot   Sep 2021
- SB comment resolution + 2 recirculations   Nov 2021
- RevCom submission   Dec 2021
