Abstract

Minutes of the IEEE 802.15.4 2020 Cor1 virtual Interim July meeting

These are the Minutes of the IEEE 15.4 2020 Cor1 July 2021 meeting

Wednesday, 14 July, 2021, PM3

Chair called the meeting to order at 2:03 PM PST.

Reviewed the opening report/ Agenda, doc# 378rev0

Went through meeting, patent, and other IEEE guidelines.

And called for potential essential patents, *nothing heard*.

The following motion was made: Approve the Agenda per doc#378-01

Moved by: Don Sturek (Itron)

Seconded by: Michael Cowan (Xylem)

No discussion or objection heard on the motion.

Agenda approved by unanimous consent.

Another Motion: Approve the meeting minutes per doc#316-00

Moved by: Phil Beecher (Wi-SUN Alliance)

Seconded by: Don Sturek (Itron)

No discussion or objections heard.

Meeting minutes approved by unanimous consent.

Chair goes through the updated PAR doc#270rev04 for TG4 2020 Cor1.

Kunal goes through the 15.4 2020 Cor1 PAR document which is updated to incorporate comment on including the approved amendments completed after 802.15.4-2020.

Chair goes through the document# 270-02 PAR document and present all the updates to the PAR.

Chair mentions that the PAR was approved by the TG4 2020 Cor1 and 802.15 WG, which was distributed to other 802 committies for their comments.

Chair mentions there is one comment received from 802.3 group on the PAR.

Chair discuss the resolution and asks for any comments or objection on the resolution.

None heard.

Kunal goes through the draft standard incorporated based on the all the proposals heard and agreed by the TG to incorporate.

There is a comment on the header and footer update.

There is a comment to confirm if there are no overlaps with 15.4aa standard with this updates.

Chair mentions that this will be discussed in the 15.4aa group and also would be confirmed against to make sure there are no overlaps.

On 15.4w related proposal change, there are sections instructions required

There is a comment to update the timeline with the new changes to the PAR scope.

Chair updates the timeline to incorporate new additions/ changes to the PAR.

The meeting is recessed until 19th July, 2021.

Monday, 19 July, 2021, PM1

Chair called the meeting to order at 10:03 AM PST.

Chair goes through the agenda for the July 19th call.

Chair asks for any changes to the agenda. None heard.

Kunal goes through the comment resolutions for comments received on the PAR as part of doc#378rev03

Chair goes through the comments received from 802.3 and asks for any additional comments.

None heard.

Chair goes through the comments received from 802.11 and asks for any additional comments.

None heard.

Chair asks the group the review the resolutions to the received comments by next session. Chair mentions that during the next session, the resolutions will be approved, and the motion will be taken.

The meeting is recessed until 20th July, 2021.

Tuesday, 20 July, 2021, EV1

Chair called the meeting to order at 2:03 PM PST.

Chair goes through the agenda for the July 20th call.

Chair asks for any changes to the agenda. None heard.

Chair motions that there is a presentation on the error found in 802.15.4z; however the proposer is not ready with this proposal and suggested to present during the next virtual meeting.

Chair goes through the preliminary draft on the proposals that were heard so far, including the consolidated proposals on some of the topics.

There is a comment about the JP region frequency bands on the editorial comment.

Chair mentions that the additional changes will be incorporated in the draft standard as we hear more proposals.

Chair asks for any additional proposals.

None heard.

Chair asks for any additional comments on the revised PAR.

None heard.

Motion: Request that the responses to received PAR review comments contained in document 15-21-0378-03 be approved for submission to the WG for its approval. The 802.15 working group chair and technical editor are authorized to make additional modifications to the responses as needed.

Moved by: Chris Hett (L+G)
Seconded by: Takashi Kuramochi (Lapis)
Discussion: None

Approved by unanimous consent.

Chair mentions that there will be working group motion on the similar item.

Chair goes through the closing report with the group.

Chair discuss the plan for the Sep meeting.

Chair discuss the timeline.

Chair asks for AOB.

None heard.

Chair asks for any objections to adjourn the meeting.

The meeting is adjourned at 3:45PM PST.
