Call for Contributions:

IEEE P802.16r Amendment for Small Cell Backhaul (SCB)

Issued: 16 November 2012 (updated 6 December)
Deadline: 9 January 2013 AOE

On 16 November 2012, the IEEE 802 Executive Committee agreed to a proposed P802.16r PAR (IEEE 802.16-12-0587-04-Gdoc) to amend IEEE Std 802.16 to address Small Cell Backhaul (SCB). The PAR is scheduled for possible approval by the IEEE-SA Standards Board on 5 December 2012. [Note: The PAR was approved as scheduled on 5 December; the approved version is available as IEEE 802.16-12-0587-05-Gdoc.]

In advance of the IEEE 802.16 Working Group's next meeting, during IEEE 802.16 Session #83 (14-17 January 2013 in Vancouver, BC, Canada), the Working Group is issuing this Call for Contributions requesting further views on the IEEE P802.16r Amendment for Small Cell Backhaul (SCB). In particular, the Working Group seeks inputs on application requirements, particularly from the perspective of industry organizations familiar with small cell backhaul deployments, to establish the technical requirements to be attained in the new standard.

Submit your contribution by the **deadline of 9 January 2013** following the IEEE 802.16 Document Submission Instructions <http://ieee802.org/16/submit.html> using the File Code "000r".
