Abstract

- During the F2F in Dallas there was a discussion on the clauses for the draft standard
- This contribution is to support the previously agreed list of clauses

Previously agreed list of clauses

• From March 2010 F2F minutes (64r0)

- Agenda item "The proposal for the clauses" page 13
 - "Meeting A

System description

Procedures and protocols

Meeting B

The 802.19.1 reference model

Coexistence mechanisms and algorithms

It was decided to revert back to section 4 and 5 in September and section 5 and 6 in November.

There is a linkage between section 6 and 7 so it was decided that a proposer should submit section 4 and 5 in September. If ready they can submit section 6 and 7 September or can wait to November."

Previously agreed list of clauses

• From March 2010 F2F minutes (64r0)

- Agenda item "The proposal for the clauses" page 13

Discussion

- Main clauses of the draft standard have been agreed in March 2010 meeting
- Currently, 5 out of 7 proposals follow the agreed clauses
- Why do we need to change?
