Abstract

This document is a submission to IEEE 802.19 TG1 proposing resolution to comment to ASN1 data type definition for COEX_MEDIA_SAP.

Proposed resolution

It is proposed to modify the definition of the NetworkTechnology data type definition in 4.3.2 COEX_MEDIA_SAP to be as follows:

```
NetworkTechnology ::= ENUMERATED{
        ieee802dot11af5MHz,
        ieee802dot11af10MHz,
        ieee802dot11af20MHz,
        ieee802dot22,
        ECMA392,
        …
}
```
