- How IEEE 802 standards can be used to advance technology for humanity
- Historical overview of IEEE 802 standards
- Compare similar or competing IEEE 802 technologies
- Using IEEE 802 standards to satisfy new applications

## SCHEDULE

Submissions are due by midnight PST March 1, 2016. Papers are to be submitted by email to [802studentpaper@ieee.org](mailto:802studentpaper@ieee.org)

Results of the contest will be posted to the IEEE 802 website ([www.ieee802.org](http://www.ieee802.org)) in April 2016 and winners will be notified by email.

**Winning papers will be presented on July 26, 2016 at the IEEE 802 Plenary meeting in downtown San Diego.**

## RULES

- In the event that there is more than one author of a paper, any cash prize will be divided equally among the authors.
- Only one travel grant (stipend, meeting fee waiver and hotel room) will be granted per paper. The authors shall specify when the paper is submitted which author will be given the travel grant.
- The authors agree that the winning papers and presentations will be published on the IEEE 802 document repository (<http://mentor.ieee.org/802-ec/documents>).
