Mentor for Working Groups

Working Groups in Mentor

Working Group (WG)

- – Users are linked to myProject
- – Group is linked to a Standards WG
- – Roster is managed in <u>myProject</u>
- – Individual will need to enroll in myProject Roster
- – Chair will need to authorize access in myProject Roster

Join through Mentor

Users who go to a WG Mentor site that they are not a member of will see a "JOIN" link. Upon clicking :

- • The user will be placed in the myProject roster as observer
- • the WG Officer will receive an email to go to myProject Roster to assign the person an involvement level

WORKING GROUP ROSTER

WG Roster

- Managed in myProject

- Interested parties will log onto
  https://development.standards.ieee.org and enter their
  interest in the group through "Manage Activity Profile"

- Working Group Chair then goes into myProject "Manage
  Committees" and provides an Interest Level to each individual

- Access based on Interest Level
  - Officer = admin type access
  - Voting member = read/write access
  - Other than Voting member = read only

- No Interest Level = no private access
 - Only allowed public document access
