1 Introduction

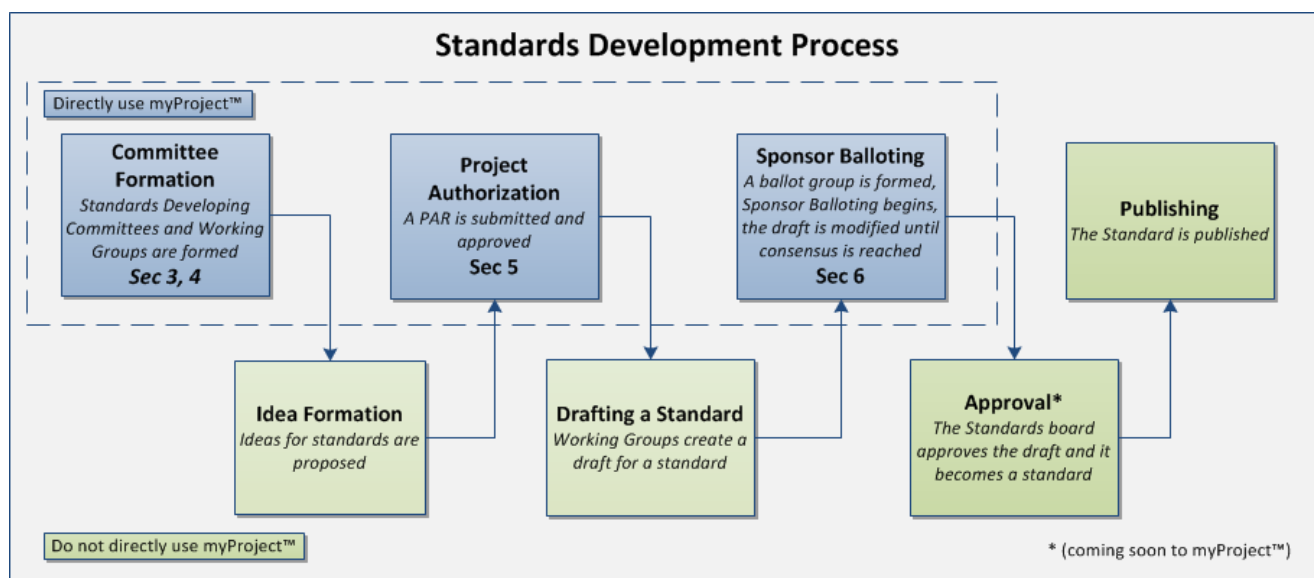

myProject™ is:

- A set of web-based tools that facilitate the IEEE standards process
- A database that holds information related to the standards process
- A tool used by IEEE members, staff, and other individuals who want to participate in the standards process

In order to use my project, you must have:

- Access to the internet
- A web browser (e.g. [Internet Explorer](#), [Firefox](#), etc.)
- A PDF viewer (e.g. [Adobe Reader](#))
- A spreadsheet editor **only for download/upload comment functions** (e.g. Excel)
- An IEEE web account
 - IEEE Web Accounts are free and do not require IEEE membership.
 - If you do not have an IEEE web account, create one by going to: http://www.ieee.org/go/create_web_account

How myProject™ is used in the standards development process:

Relevant sections of the myProject™ User Guide:

- Committee Formation – **Sec 3. Managing Activities, Roles and Affiliations, Sec 4. Manage Sponsors and Working Groups**
- Project Authorization – **Sec 5. The PAR Submission and Approval Process**
- Sponsor Balloting – **Sec 6. Sponsor Balloting**

2 Getting Started

2.1 Accessing myProject™ for the First Time.

Applicable Users:

- All myProject™ users

Instructions:

1. Go to <https://development.standards.ieee.org/my-site>
2. Enter your IEEE Web Account username and password and click "**LOGIN**".
 - If you do not have an IEEE web account, you can create one by clicking on the "**Need an IEE Web Account?**" link.

PLEASE LOG IN
Now you can access myProject, IMAT, and Mentor with a single login. Simply enter your IEEE Web Account username and password below to begin!

Note: IEEE uses Cookies for Web Account Registration, Change Password and Recover Username/Password

2.2 Changing myProject™ Account Information

When you access myProject™ for the first time, the Account page will open, requesting information. This information is used by the system to notify you of events and tasks, as well as to automatically add your information to some fields, and is maintained separately from your IEEE Web Account information. This information is required, and only asked for once. You can change this information, however, at any time by clicking on the "**Account**" link on the Home Screen.

Applicable Users:

- All myProject™ users

Instructions:

1. Select/enter your employer/position information (*you can select your employer from the list, or type it in if it isn't visible*).
2. Enter your address information.
3. Enter your telephone numbers.
4. Enter a secondary email, if any (*If provided, a copy of all messages will be sent here*). Your primary email is maintained through your IEEE Web Account and can be changed by clicking the "Click to change" link.
5. Click "**OK**" to save your information.

2.3 Accessing Messages and Notification Preference

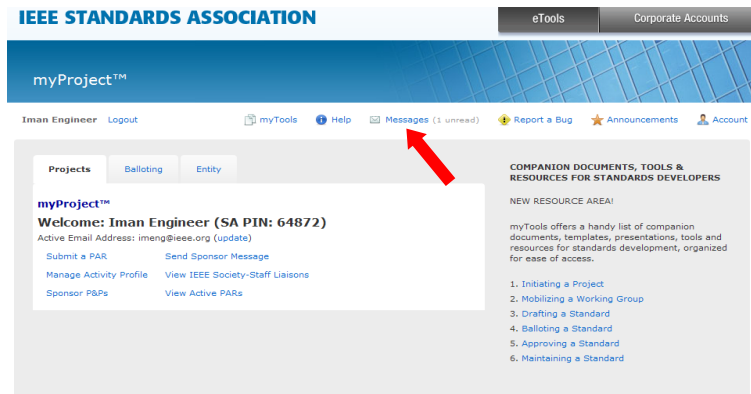

MyProject™ users are notified of important events through the myProject™ “Messages” section as well as through email.

Applicable Users:

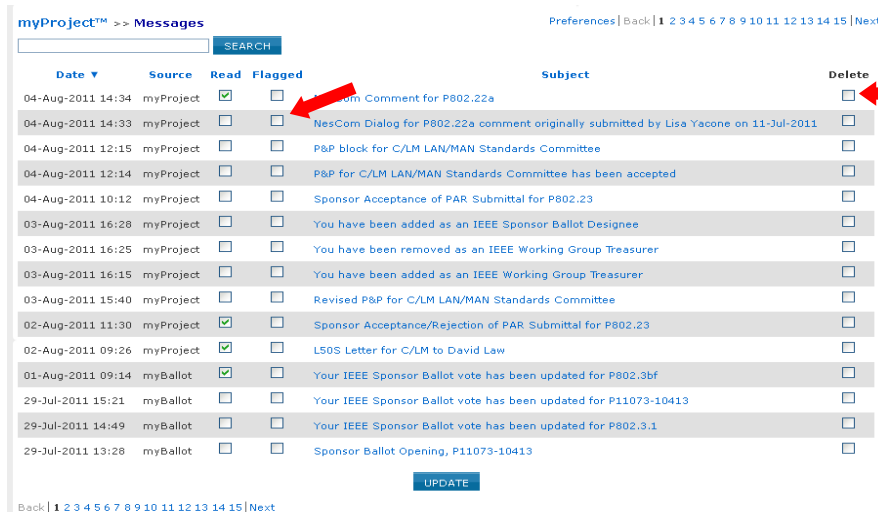

- All myProject™ users

Instructions:

- From the myProject™ home screen, click “Messages”.

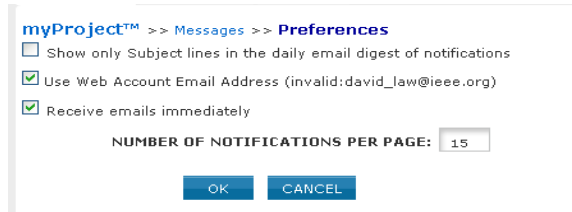

- From this screen, you will be able to see all myProject™ notifications.
- Click on the message subject text to display the message.
- Place a check in the boxes next to the message to mark messages as read or flagged, or to delete messages.

- Click “UPDATE” to apply any changes.
- To manage notification preferences, click “preferences”.

7. Check the box to activate or deactivate features.

myProject™ >> Messages >> Preferences

Show only Subject lines in the daily email digest of notifications

Use Web Account Email Address (invalid:david_law@ieee.org)

Receive emails immediately

NUMBER OF NOTIFICATIONS PER PAGE:

- a. "Show only Subject..." when checked will only show subjects in your daily email summary, not the message text.
 - b. "Use Web Account Email..." when checked will send emails to your primary email address.
 - c. "Receive emails immediately" when checked will send notification emails as they are generated instead of a daily email digest.
8. Change the "number of notifications per page" to change how many messages appear per page in the list view.
 9. Click "**OK**" to save your changes.

2.4 The myProject™ Home Screen

The following features are available to all users. Additional features may be available to you based on your specific role and will appear in the lower section.

The screenshot shows the myProject™ Home Screen for a user named Iman Engineer. The page includes a navigation bar with 'eTools' and 'Corporate Accounts' tabs. A sidebar on the left contains links for 'myTools', 'Help', 'Messages (1 unread)', 'Report a Bug', 'Announcements', and 'Account'. The main content area displays a welcome message and a list of actions: 'Submit a PAR', 'Send Sponsor Message', 'Manage Activity Profile', 'View IEEE Society-Staff Liaisons', 'Sponsor P&Ps', and 'View Active PARs'. A right-hand sidebar lists 'COMPARISON DOCUMENTS, TOOLS & RESOURCES FOR STANDARDS DEVELOPERS' and a 'NEW RESOURCE AREA!' with a numbered list of steps from 1 to 6. Red callout boxes point to these elements: one points to the 'eTools' tab with the text 'Click on "eTools" to access other tools (Mentor and IMAT)'; another points to the 'myTools' sidebar with a list of features: 'myTools', 'Help', 'Messages', 'Report a Bug', 'Announcements', 'Account', 'Submit a PAR', 'Manage Activity Profile', 'Sponsor P&Ps', 'Send Sponsor Message', 'View IEE Society-Staff Liaisons', and 'View Active PARs'; a third points to the 'Submit a PAR' link with the text 'Additional options may appear here.'; a fourth points to the 'NEW RESOURCE AREA!' section with the text 'Additional resources can be found here.'; and a fifth points to the numbered list with the text 'Additional resources can be found here.'

myTools

This section will give you access to resources related to the standards process.

Help

Use this link to get the latest information and help related to the screen you are on.

Messages

This screen allows you to view all system notifications. You can also manage your email notifications here.

Report a Bug

This page lets you report a myProject™ bug to the system administrator.

Announcements

Breaking news about myProject™ may be found here.

Account

This area allows you to edit your IEEE-SA contact information as well as manage your affiliations.

Submit a PAR

This is for use by any SA Member who wishes to submit a PAR (Project Authorization Request) for consideration by NesCom. This screen is used for all PAR requests and all PAR actions (modify, extend, withdraw).

Manage Activity Profile

Use this screen to join sponsor committees, working groups and projects of interest

to you.

Sponsor P&Ps

This is a comprehensive list of IEEE Sponsor P&Ps (Policies and Procedures) including their acceptance status.

Send Sponsor Message

This is for committee chairs and IEEE Standards Staff use in sending an email notification to a sponsor.

View IEEE Society-Staff Liaisons

This link brings you to a list of all IEEE Society-staff liaisons.

View Active PARs

This screen provides a view and search function on all active PARs. A link to view the approved PAR is provided.

3 Managing Activities, Roles and Affiliations

3.1 Join an Activity/Register as an Interested Party (Sponsor, Working Group, Project)

Joining an activity allows you to receive ballot invitations and other notifications, be selected as Working Group chair or other officer and get access to the group's Mentor area. Joining an activity also adds you to the roster and allows the chair to assign involvement levels. For more information on rosters, see **Sec 4.18 Assign Involvement Level in a Working Group**.

Applicable Users:

- All myProject™ users

Notes:

- IEEE-SA Basic Corporate membership or above is required to observe an entity project.
- Only IEEE-SA Advanced Corporate Members can contribute and hold voting privileges in entity working groups.

Instructions:

1. On the **myProject™** Home Screen, select "**Manage Activity Profile**".
2. On the "Manage Activity Profile" Page, scroll down to the Society or SCC you are interested in and expand the tree by clicking the "+" sign to view Sponsors, Working Groups, and Projects.

3. Check the box next to the activity you are interested in (Sponsor, Working Group, Project).
4. Click "**CONTINUE**"
5. Confirm your interest area and enter your affiliation information.
 - Select from the list or type in your company/organization.
6. Click "**CONTINUE**"

3.2 *Update Affiliation Information*

Use this function to manage your affiliation for each project/PAR. A person could be affiliated with different entities on different PARs. See affiliation guidelines at <http://standards.ieee.org/faqs/affiliation.html>

Applicable Users:

- All myProject™ users

Instructions:

1. On the **myProject™** Home Screen click the “**Account**” link in the upper right.
2. Click the “**Affiliation Information**” link.

myProject™ >> Account

This information is solely for the use of the IEEE-SA and will not be provided to any third parties or used for commercial purposes.

You can also manage your  [Affiliation Information](#) or view the [Obligations for Participation in IEEE Standards Development](#) agreement.

3. Update your affiliation for each project listed.
 - Select from the list or type in your company/organization.
4. Click “**OK**”.

3.3 Entity Members and myProject™

Management of entity roles (DR/DRA & EBR/EBRA) is done by the EMR (Entity member Representative). Other information for Entity Membership is not managed through myProject™ and is obtained from the MemberClicks database. This information includes: The name of the organization, the username of the EMR and the type of entity membership (basic or advanced).

3.4 Enroll as DR or DRA (Entity Working Groups)

Participation in Entity Working Groups is limited to IEEE-SA Entity Members. These entities are represented by a DR (Designated Representative) and DRA (Designated Representative Alternate). Any employee of the Entity Member organization may enroll as the DR or DRA if the slot has not already been filled. Only the EMR (Entity Member Representative) has the ability to replace the DR or DRA.

Applicable Users:

- Employees of Entity Member organizations

Notes:

- Users must have an IEE-SA Entity Member organization listed as their employer in order to represent his/her company in entity projects.

Instructions:

1. On the myProject™ Home Screen, click the “Entity” tab.
2. Click “Entity Project Enrollment”.

3. Place a check next to the projects you would like to enroll in and enter your company in the “Affiliation” box. Make sure you enter the same Entity Member organization that you have listed as your employer.

4. Click “OK” to confirm enrollment in the project.
5. Click “Entity Designated Representative”

Entity Home >> Entity Project Enrollment

- Click **"OK"** to confirm your enrollment.
- Your name will now show up under "Designated Representative" or "Alternate Representative".

3.5 Manage DR and DRA (Entity Working Groups)

Participation in Entity Working Groups is limited to IEEE-SA Entity Members. These entities are represented by a DR (Designated Representative) and DRA (Designated Representative Alternate). Any employee of the entity member institution may enroll as the DR or DRA if the slot has not already been filled. Only the EMR (Entity Member Representative) has the ability to replace the DR or DRA.

Applicable Users:

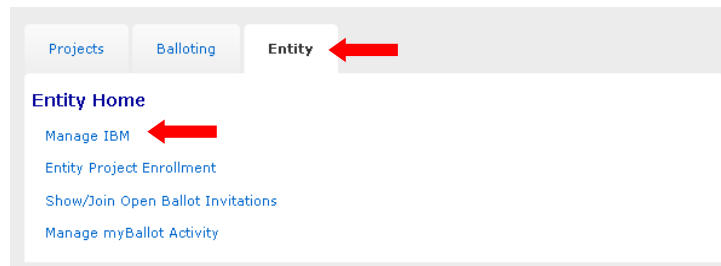

- EMR

Notes:

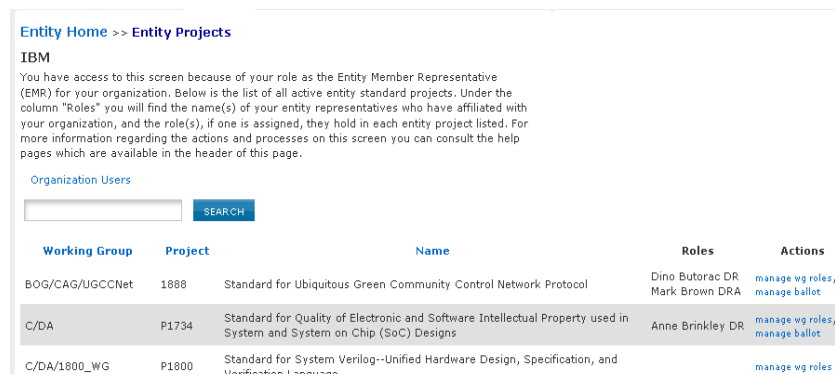

- Users must already be enrolled in the entity project to be added as DR or DRA.

Instructions:

1. On the **myProject™** Home Screen, click the **"Entity"** tab.
2. Click **"Manage (your company)"**.

3. Click **"Manage WG Roles"** next to the Working Group you want to manage.

4. You will see individuals currently enrolled as the DR and DRA as well as a waiting list of other individuals who have expressed interested in becoming the DR/DRA.
 - To remove an individual from a DR/DRA position, delete their username from the box and click **"OK"**
 - To replace an individual in a DR/DRA position, replace their username with the username of the new individual and click **"OK"**
 - You may replace both usernames at the same time or switch the two.
 - You may assign a new DR/ADR, but it is recommended that you let the individual enroll him/herself or use a name from the waiting list to ensure they have already enrolled in the project.

3.6 *Manage Board Members/Add a Board Administrator*

Although it is possible to add the administrators for all boards to the roster, only the NesCom and AudCom administrators are currently given special access to myProject™.

Applicable Users:

- Governance Staff

Instructions:

1. On the **myProject™** Home Screen click the **"Manage Board Members"**.
2. Select the board you would like to edit from the **"SELECT BOARD"** dropdown menu.
3. To add a new member, click **"Add New Member"**.

8. To remove an individual, click **"remove"** and click **"OK"** to confirm.

3.7 Manage Staff Users

Applicable Users:

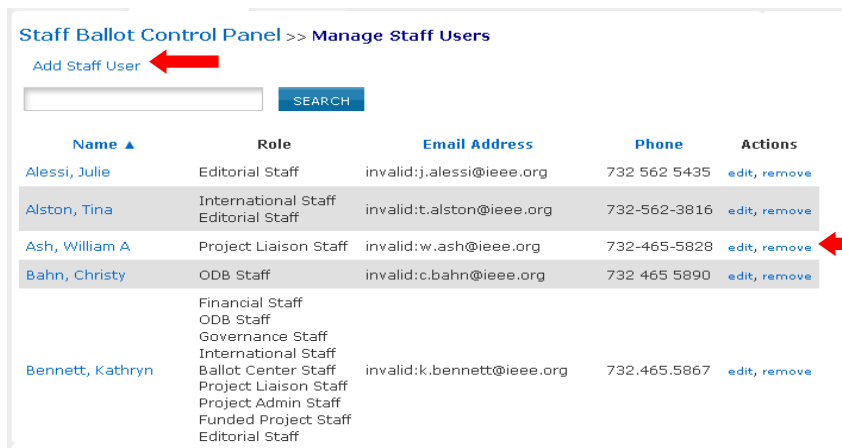

- ODB Staff

Notes:

- New staff accounts should automatically be added to myProject™ as general staff users.
- Use this feature to give other web accounts staff privileges.

Instructions:

1. On the **myProject™** Home Screen, click the **“Balloting”** tab.
2. Click **“Manage Staff Users”**.
3. To add a new staff user, click **“Add Staff User”**.

4. Enter the username and place a check in the box next to all roles the staff member should have.
 - If no boxes are checked, the user will have only general staff capabilities.

5. Click **“OK”** to add the user.
6. To change staff roles, click **“edit”** next to the user’s name.
7. Check/Uncheck the appropriate staff role boxes and click **“OK”** to save the changes.
8. To remove staff user privileges from an individual, click **“remove”** next to their name and click **“OK”** to confirm.

4 Manage Sponsors and Working Groups

4.1 Create a Sponsor and Appoint a Chair

Before a Sponsor committee can upload proposed P&Ps, the Sponsor must first be created.

Applicable Users:

- Governance Staff

Instructions:

1. On the **myProject™** Home Screen, select **"Manage Committees"**.

myProject™ >> **Manage Committees**

This page allows staff and committee chairs to see who has officially enrolled through the myProject Activity Areas at the Sponsor, WG and project levels.

Enrollment at the Sponsor or WG level indicates that the individual has expressed an interest in the general work or management of the Sponsor or WG as well as serving to indicate you wish to be notified on any respective Ballot Invitations.

Enrollment at the project level indicates that the individual has expressed an interest in participating in the specific technical work of the specific project.

By definition, these are the rosters of people who have expressed such interests. Inclusion in these rosters does not imply that the individual has met the membership requirements of the respective committee.

2. Click **"Add Sponsor"**
3. Select the parent society for the new sponsor, fill out the "name" and "short name fields", add a website URL if the group has one and click **"OK"**.

4.2 Add a Funded Project/Appoint a CSM

By appointing a CSM (Client Services Manager), a project will automatically be added to the funded projects list. All approved entity PARs/projects will automatically be added to the funded projects list and assigned to the CSM Manager. The CSM Manager may reassign the projects as needed.

Applicable Users:

- ODB Staff

Notes:

- The CSM will be able to access officer (Working Group Chair, Sponsor Chair) functions in myProject™. CSMs can: initiate ballot invitations, extend invitations, initiate ballots and recirculations, accept PARs, manage involvement levels and officers.
- A CSM can be added at the Sponsor, Working Group, or Project level.
- The CSM should join the group as an interested party and specify an affiliation before being added. If an affiliation is not specified before being added as CSM, one must be specified immediately following.

Instructions:

1. From the myProject™ home screen, select **“Manage Committees”**.
2. Click the **“+”** to expand the tree and find the project/committee that you would like to assign a CSM.
3. Click **“manage committees”** next to the project/committee you would like to assign a CSM.

6. Click "OK" to save your changes. "Client Services Manager" will now show as the individual's role.

4.3 Accessing CSM Functions

The CSM (Client Services Manager) has special access to myProject™ in addition to standard staff functions. The CSM has privileges similar to the chair of the groups/committees that they have been assigned.

Applicable Users:

- CSM

Instructions:

1. Access the additional areas of myProject™ and myBallot tab shown below. You will be able to accept/reject PARs for the assigned Sponsors/Working Groups, manage committees like a Sponsor/Working Group Chair, and manage Sponsor Ballot functions.
2. Follow instructions for the appropriate chair functions.

4.5 Build and Manage an AudCom Agenda

Applicable Users:

- AudCom Administrator

Notes:

- Meeting dates will be set based on NesCom dates entered by the NesCom Administrator.
- An agenda must be created in order for Sponsor P&Ps to be added to it.

Instructions:

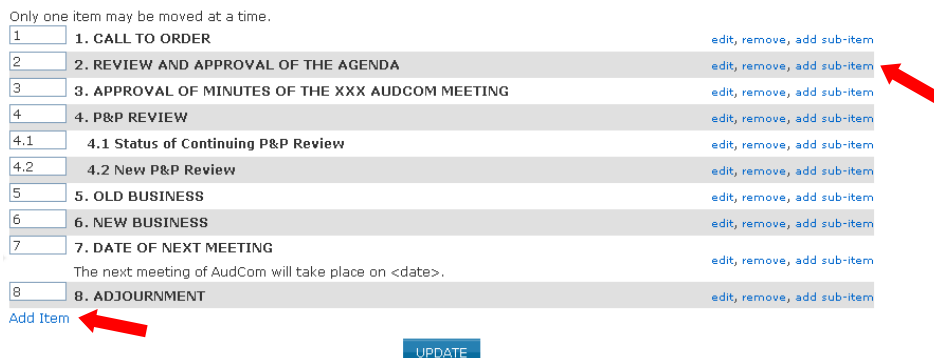

1. On the **myProject™** Home Screen, select **"AudCom Member Area"**.
2. To create a meeting agenda, click on **"Agenda Builder"** next to the meeting you would like to edit.

3. You can add items to the agenda individually, or start with a template and edit the agenda to your needs. To use a template, select one from the list and click **"Load From Template"**

4. An agenda will automatically be created from the template.
5. To add additional agenda items, click **"add item"** or **"add sub-item"**.

6. Now you can select the item type (use "text" unless you need sub-items to be added automatically), add additional text and relevant files.

4.8 Submitting an L50S

Sponsors are responsible for submitting an L50S form annually to report the financial activity of the committee.

Applicable Users:

- Sponsor Chair, Standard Representative

Notes:

- You will receive email notification through the myProject™ messaging system that L50S forms need to be submitted.
- Actual submission of the L50S is not done within myProject™.

Instructions:

1. From the myProject™ home screen, click "**Messages**".
2. Click on the message relating to the L50S.

4.9 *Sending L50S Notifications*

Applicable Users:

- Financial Staff

Notes:

- Notifications will be sent to all Sponsor chairs and Standard Representatives.

Instructions:

To send an initial notification:

1. From the myProject™ home screen, select "**L50 Main Page**".
2. Click "**Send L50S Initial Letter**".
3. Enter the due date for the submission. This will show up in the notification and set the due date in myProject™ for other L50 pages.
4. Review the message text and edit it if necessary.

5. Click "**OK**" to send the notification to all Sponsor Chairs.

To send a second notice notification:

1. From the myProject™ home screen, select "**L50 Main Page**".
2. Click "**Send L50S 2nd Notice Letter**".
3. Review the message and edit it if necessary.
4. Click "**OK**" to send the notification to all Sponsor Chairs.

4.10 Viewing Sponsors with Received L50S and L50S Non-Responders

Applicable Users:

- All Staff

Notes:

- All staff will be able to see the L50S status, but only financial staff can make changes.

Instructions:

To view all L50S that have been received for the year:

- From the myProject™ home screen, select “**L50 Main Page**”.
- Click “**L50S Received As Of Today**”.
- Select a date from the “**L50 DUE DATE**” drop-down box to see the L50 responses for that due date. The most current will be displayed by default.
- On this screen, you will see: the date the initial notification was sent out (Date L50/BI Sent), the date the L50 is Due, the date the L50 was received, whether the sponsor has had no financial activity or has submitted an L50S (Status), if an activity block has been mandated by the Standards Board (L50 Block), the sponsor contact person, the Staff Liaison.

4.11 *Editing L50S Status Information*

L50S submission status does not automatically show up in myProject™. This information must be entered manually by SA financial staff.

Applicable Users:

- Financial Staff

Notes:

- Editing should only be done by SA financial staff.

Instructions:

1. From the myProject™ home screen, select “**L50 Main Page**”.
2. Click “**L50S Received As Of Today**” or “**L50S Non responder List**” (the sponsor will be in one of the two areas depending on the “status”)
3. Select a date from the “**L50 DUE DATE**” drop-down box to see the L50 responses for that due date. The most current will be displayed by default.
4. Click “**edit**” next to the Sponsor status you would like to edit.
5. On the next screen, you can change the date the L50 was received, change the status, L50 Block, Financial Activity.

6. Click OK to save the changes. If the status was changed from “Unknown” or “Not Received” to “Received” or “No Bank Account”, the sponsor will move from the “L50S Received As Of Today” list, to the “L50S Responder List”.

4.12 **Blocking Activity**

If a Sponsor fails to submit an L50S or P&P, it may be necessary for a “Process Block” to be placed on them. Blocking a sponsor’s activity prevents them from accepting PARs, and therefore having them moved to the final NesCom agenda.

Applicable Users:

- Financial Staff, AudCom Administrator

Notes:

- When a block has been placed, Sponsor Chairs/Standards Representatives will receive error messages when trying to initiate ballots and will see the following message in their “Manage My PARs” Screen.

Submitted PARs
One or more Sponsor Committees for the PARs below does not have an approved P&P or the L50S has not been received. You will not be able to accept or reject PAR submissions until a P&P for that Sponsor is approved or the L50S is received.

The PARs listed on this page require some action by you (the Sponsor or Standards Representative).

ACTIONS:

- Accept : Acceptance of the PAR by the required cutoff date of the next NesCom meeting. If you choose to accept, the PAR will be added to the next NesCom meeting agenda. Once accepted, the options available to the Sponsor will be changed to "Remove from Agenda".
- Reject : If you choose to reject the PAR, it will be returned to the submitter.
- Remove Sponsor Authorization: Allows you to remove a previously accepted PAR from the NesCom Agenda.

COMMENTS:
 If comments are available regarding the PAR, you will view and respond to them here.

4.15 *Assign/Change Working Group Officers*

The Sponsor Chair and Standard Representative have the ability to assign officers for any of their Working Groups. Once a WG (Working Group) chair is assigned, he/she has the ability to manage the WG actions in myProject, including: manage committee, assign WG Officers, manage the WG Voting Member roster, initiate ballot invitations, start sponsor ballots, and more. A working group can manage more than one PAR/project. The working group chair may solicit help from the WG to manage the Sponsor ballots for the PARs. The person assigned to manage a Sponsor ballot for a specific PAR is called the Sponsor Ballot Designee. If a sponsor ballot designee is not assigned the responsibility falls on the WG chair.

Applicable Users:

- Sponsor Chair, Standard Representative, Working Group Chair

Notes:

- The person you are about to assign this role must sign up in this activity area first and be an IEEE and IEEE-SA member.
- Officers of working groups developing under the entity method must be representatives of Advanced Entity Members.

4.17 *Select Involvement Levels*

These are the involvement levels available to Working Groups:

- **Voting Member** = a voting member
- **Non Voting Member** = a member without voting rights
- **Observer** = someone who attends meeting or gets notices but does not participate
- **Aspirant Member, Nearly Member, Potential Member** = anything the group would like them to mean

Since not all Working Groups use all of these involvement levels, groups have the ability to select the ones they would like to use in myProject™ and Mentor.

Applicable Users:

- Sponsor Chair, Standard Representative, Working Group Officers

Instructions:

1. On the myProject™ Home Screen, select “manage committees”.
2. Under the “Working Group Committees” section click “manage” under the “Actions” column.

4.18 *Assign Involvement Level in a Working Group*

Working Group Officers have the ability to define the involvement level of those who have enrolled in a committee using myProject™. Involvement levels are used to allow write access to the group’s Mentor area.

Applicable Users:

- Sponsor Chair, Standard Representative, Working Group Officers

Notes:

- The involvement level set for a person in myProject™ will determine the type of access that person has to the Working Group area in Mentor.
 - If the involvement level is blank, that person will be listed on the Mentor roster as “Interested” and will only have access to public documents in Mentor.
 - Voting members have read/write access to mentor documents and all other involvement levels have access to private content but no read/write ability.
 - The Working Group officers (chair, vice-chair, secretary, etc.) automatically have read/write access to the working group area in Mentor.

Instructions:

1. On the **myProject™** Home Screen, select “**manage committees**”.
2. Under the “**Working Group Committees**” section click “**manage**” under the “**Actions**” column.

4.19 *Assign/Change Sponsor Ballot Designee and Other Project Officers*

A Working Group can manage more than one PAR/project. The Working Group Chair may solicit help from the working group to manage the Sponsor ballots for the PARs. The person assigned to manage a Sponsor ballot for a specific PAR is called the Sponsor Ballot Designee. The Working Group Chair may also assign individuals to assist with other phases of the project. If a designee is not assigned, the responsibility falls on the working group chair. Designees will be granted access in myProject™ to facilitate their specific function.

Project officers are:

Sponsor Ballot Designee/Alternate Ballot Designee – This individual may act on behalf of the Sponsor Chair and Working Group Chair to manage ballot activity for a specific project.

NesCom Designee – This individual has the ability to submit changes to existing PARs on behalf of the Working Group Chair.

RevCom Designee – This individual has the ability to submit material to RevCom on behalf of the Working Group Char.

Coordination Designee – This individual has the ability to manage coordination (MEC, SCC14, etc.) on behalf of the Working Group Char.

Applicable Users:

- Sponsor Chair, Standard Representative, Working Group Officers

Notes:

- The person you are about to assign this role must sign up in this activity area first and be an IEEE and IEEE-SA member.
- The Designees for an entity project must be representatives of Advanced Entity Members.

Instructions:

1. On the **myProject™** Home Screen, select **“Manage Committees”**.
2. Under the **“Projects”** section click **“manage”** under the **“Actions”** column.

4.20 *Send a Notification to Group*

MyProject™ will automatically send notifications to all users who have expressed interest in a group for specific activities, e.g. ballot invitations. "Send Notification to Group" allows officers and staff to send additional notifications to interested users.

Applicable Users:

- Sponsor Chair, Standard Representative, Working Group Officers, Staff

Notes:

- Anyone who registers as interested in the group in the "Manage Activity" area will receive messages sent to that group. Notifications are not tied to access levels or IEEE-SA membership.
- Sponsor and Working Group level interests are treated separately, therefore: Users interested at the sponsor level will not receive notifications sent to related Working Groups only. Users interested at the Working Group level will not receive notifications sent to the related sponsors only.

Instructions:

1. On the **myProject™** Home Screen, select "**Send Notification to Group**".

5 The PAR Submission and Approval Process

In order to start work on a new standard, a PAR (Project Authorization Request) must be submitted. Work cannot start on a standard until the PAR is reviewed by NesCom (New Standards Committee) and approved by the Standards Board.

Relevant sections of the myProject™ user guide:

- PAR is Submitted - **5.1 Submit a PAR for a New IEEE Standard, 5.3 Submit a PAR for a Revision, Corrigendum, or Amendment, 5.4 Modify an Approved PAR , 5.6 Withdraw an Approved PAR**
- Sponsor Accepts PAR - **5.7 Accept or Reject a PAR**
- NesCom Comments on the PAR - **5.10 Commenting and voting on a PAR, 5.12 Respond to NesCom Comments About a PAR.**

5.1 Submit a PAR for a New IEEE Standard

This form is for submitting a PAR related to a completely new standard. The project can be worked on by an existing Working Group, or a new one can be requested. You must have approval of a sponsor committee, however, for your PAR to be considered.

Applicable Users:

- IEEE-SA Members

Notes:

- The Sponsor must have an approved P&P (policy and procedures) before it can submit a PAR.
- If the Sponsor's P&P is expired, the P&P must be reapproved before submitting a PAR. (For more information on uploading Sponsor P&Ps, see **Sec 4.4 Upload & Manage Sponsor P&Ps.**)

Instructions:

1. On the **myProject™** Home Screen, select "Submit a PAR".
2. Select "**PAR for a New Standard**" under "PAR Requests" then click "**NEXT**".

The screenshot shows a web interface with two columns: 'PAR Requests' and 'PAR Actions'. Under 'PAR Requests', there are five radio button options:

- PAR for a New IEEE Standard: A document that does not replace or modify another standard.
- PAR for a Revision to an existing IEEE Standard: A document that updates or replaces an existing IEEE standard in its entirety.
- PAR for a Corrigendum to an existing IEEE Standard: A document that only contains technical corrections to an existing IEEE standard.
- PAR for an Amendment to an existing IEEE Standard: A document that contains new material to an existing IEEE standard and may contain technical corrections to that standard.
- PAR for the Adoption of a Non-IEEE Standard

 Under 'PAR Actions', there are three radio button options:

- Modify an existing Approved PAR
- Extend an Approved PAR
- Withdraw an Approved PAR

 A red arrow points to the first option in the 'PAR Requests' column. At the bottom center, there is a blue button labeled 'NEXT >>'.

3. Select the appropriate working group by using the "+" to expand the Society/Sponsor Committee. *(This is the group that is responsible for supporting the work. By selecting the appropriate group, the Sponsor Chair and Working Group Chair are notified of the PAR submittal. The Sponsor Chair will need to accept the PAR in order for NesCom to approve it.)*
 - If the PAR is for a new working group that you need to create:
 - Select "**Request New Working Group**" next to the appropriate sponsor/committee.
 - When Prompted, enter the full name of the working group, e.g., "Implementing Technology To Limit Climate Change" and a short name, e.g., CCWG (will appear on PAR as PE/ED&PG/CCWG), then click "**NEXT**"
 - Review the information displayed and click "**NEXT**"
 - The sponsor chair will be notified of the new group and will need to approve it and assign a working group chair
 - If the PAR is for an existing working group:
 - Find the working group in the green area and click "**Select**"
 - Review the information displayed then click "**NEXT**"

4. Complete the PAR information on the pages displayed. Click **"NEXT"** to move through the pages.
5. When you get to the last page, review the PAR and click **"Submit to NesCom Administrator"**
6. The PAR will now be added to the next NesCom agenda and notifications will be sent to the Working Group Chair, Sponsor Chair, Staff Liaison, and NesCom Administrator)
 - **NOTE:** Once you approve and submit the information, changes may only be made through the NesCom Administrator.

5.2 Saving, Editing, Sharing and Deleting a Draft PAR

You can save a PAR at any time as a draft and return to it later, share it, or delete it.

Applicable Users:

- IEEE-SA Members

Instructions:

1. Click **"SAVE AND COME BACK LATER"** on any PAR page.
 - **NOTE:** All fields on a page must be completed, or nothing from that page will save
2. When you are ready to resume, go to the myProject™ Home page and select **"Manage My PARs"**
3. To return to the PAR, locate the PAR in the list and click **"edit"**, then continue editing the PAR.

4. To share the PAR with another user, click **"share with another user"** (*This person will have the ability to view, edit, and submit the PAR*)
5. Enter the email address or username of the person with whom you would like to share the PAR and click **"OK"** (*The email address must be associated with an IEEE Web Account*)
6. To permanently delete a draft PAR, click **"delete"**

5.3 *Submit a PAR for a Revision, Corrigendum, or Amendment*

These forms are similar PARs for a new standard but are for PARs to change existing IEEE standards. Revisions are documents that replace the current standard, corrigenda add technical corrections, and amendments are other additions or corrections to the standard.

Applicable Users:

- IEEE-SA Members

Instructions:

1. On the **myProject™** Home Screen, select "**Submit a PAR**".
2. Select "**PAR for a Revision...**", "**PAR for a Corrigendum...**" or "**PAR for an Amendment...**" under "PAR Requests", then click "**NEXT**".

3. Enter the standard number in the box and click "**SEARCH**".
4. Click "**select**" next to the standard you want to revise, amend, etc.

5.7 Accept or Reject a PAR

After the PAR is submitted, it will tentatively be placed on the agenda for the next NesCom meeting. The PAR must be accepted, however, by the Sponsor Chair or Standard representative before the NesCom meeting.

Applicable Users:

- Sponsor Chair, Standard Representative

Notes:

- The PAR will not be put onto the final NesCom agenda without sponsor approval. If the sponsor fails to approve the PAR, it will move to the following NesCom meeting agenda.

Instructions:

1. On the **myProject™** Home page, select “**Manage My PARs**”.

3. You can also click on the PAR number to view the PAR as well as reading and making comments by clicking on the comments number.

Submitted PARs

The PARs listed on this page require some action by you (the Sponsor or Standards Representative).

ACTIONS:

- Accept : Acceptance of the PAR by the required cutoff date of the next NesCom meeting. If you choose to accept, the PAR will be added to the next NesCom meeting agenda. Once accepted, the options available to the Sponsor will be changed to “Remove from Agenda”.
- Reject : If you choose to reject the PAR, it will be returned to the submitter.
- Remove Sponsor Authorization: Allows you to remove a previously accepted PAR from the NesCom Agenda.

COMMENTS:

5.8 Enter Nescom Dates

In order for PARs to be added to be added to a NesCom agenda, the Nescom administrator must first add the meeting dates to myProject™ and create agendas for those meetings.

Applicable Users:

- NesCom Administrator

Instructions:

- On the **myProject™** Home Screen, select "**NesCom Member Area**".
- From the Nescom Member Area, Click "**Add New NesCom Date**".

5.12 *Respond to NesCom Comments About a PAR.*

Once the PAR is submitted, there will be a review period where NesCom members can comment on the PAR. The comments will be moderated by the NesCom administrator, who is also responsible for making any changes to the PAR before the NesCom meeting.

Applicable Users:

- Par Submitter, Sponsor Chair, Standard Representative, Working Group Chair

Notes:

- **Failure to respond to a comment may result in deferral of the PAR to the next NesCom agenda.**
- Only the NesCom administrator can make changes to the PAR at this stage. Your agreement with requested changes or submission of new wording can be included in your dialog response. If the changes are extensive, respond to the comment and email your changes to the NesCom administrator (nescom-admin@ieee.org)

Instructions:

1. On the **myProject™** Home page, select "**Manage My PARs**".

 This project had received two previous extensions of one year each. Were those extensions also due to the WG Chair not being able to move the balloting forward?
There is no dialog for this comment.

6 Sponsor Balloting

Once a draft document is stable, it is ready for balloting. A ballot invitation must be initiated, a ballot pool formed and a ballot initiated. The draft must receive a consensus approval or be recirculated until one is obtained.

Relevant Sections of the myProject™ User Guide:

- MEC – **6.1 Submit a Draft for MEC**
- Ballot Invitation – **6.6 Initiate Ballot Invitation**
- Appoint Invited Experts – **6.4 Appoint Invited Experts**
- Ballot Group Formation – **6.9 Join a Sponsor Ballot (Individual Balloting), 6.10 Pay to Join a Single Ballot (Individual Balloting), 6.12 Join a Ballot (Entity Balloting)**
- Balloting – **6.16 Initiate Sponsor Ballot, 6.18 Vote and/or Comment on a Ballot**
- Comment Resolution – **6.21 Comment Resolution**
- RevCom Submission – **6.27 Submit a Draft to RevCom**

6.1 *Submit a Draft for MEC*

Mandatory Editorial Coordination (MEC) is required prior to the start of a Sponsor Ballot. MEC ensures conformance with all IEEE requirements. Review of your draft and permission letters will reduce the number of recirculations and help to avoid delays in approval or possible rejection by RevCom.

Applicable Users:

- Sponsor Chair, Standard Representative, Working Group Chair, Sponsor Ballot Designee

Notes:

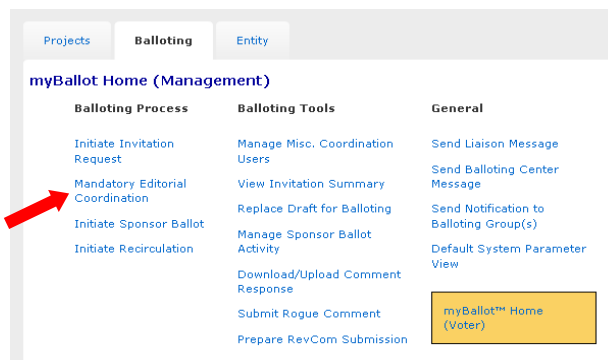

- The Mandatory Editorial Coordination (MEC) should be initiated at the start of the ballot invitation.
- Be sure to include all copyright permissions letters at this time.

Instructions:

1. On the **myProject™** Home Screen click the **"Balloting"** tab.

2. Click **"Mandatory Editorial Coordination"**.

3. Complete the form displayed, making sure to fill out all relevant fields. Make sure to select the correct staff liaison. Liaisons for your working group can be found here: <https://development.standards.ieee.org/pub/liaisons>

4. Click the "**Browse...**" button to select your file for upload. If you are including copyright permissions letters or other additional files, you will need to create a .zip file and upload a single file.
5. Click "**Upload selected file now**" to submit the form, upload your file and notify your Staff liaison.

6.2 Add Coordination Users

In order to be able to make comments on a ballot, staff must be added as a coordination user.

Applicable Users:

- Staff Liaison, Ballot Center Staff, Project Admin Staff, Governance Staff, ODB Staff.

Notes:

- Editorial Staff are not automatically added as coordination users
- If "Misc Coordination" is not checked, the user is given "editorial coordination" access and will be able to comment on all open ballots.

Instructions:

1. On the **myProject™** Home Screen click the "**Balloting**" tab.
2. Click "**Manage Coordination Users**".
3. You will see a list of all current coordination users. Click "**Add Coordination User**".

6.4 Appoint Invited Experts

The IEEE-SA Standards Board Bylaws allow for the participation of invited individual experts in ballots of specific standards projects upon approval of the IEEE-SA Standards Board. An invited individual expert is a non-IEEE-SA member who has been invited by a Sponsor to ballot on a specific standards project for the purpose of providing his or her technical expertise to improve the quality of that document.

Applicable Users:

- Sponsor Chair, Standard Representative, Working Group Chair, Sponsor Ballot Designee

Notes:

- The individual must have an IEEE web account, log into myProject™ and use the “Manage Activity Profile function” to select the specific project before he/she can be appointed as an invited expert. For more information on managing activities, see **Sec 3. Managing Activities, Roles and Affiliations**
- Appointments will remain as “pending” until the standards board approves them and IEEE staff input the approval into myproject.

Instructions:

1. On the myProject™ Home Screen, select “manage committees”.
2. Under the “Projects” section click “manage” under the “Actions” column.

6.5 *View and Approve Invited Experts*

Upon approval/rejection of an invited expert, the Staff Liaison will need to approve the expert in myProject™.

Applicable Users:

- Staff Liaison, Governance Staff

Instructions:

1. On the **myProject™** Home Screen, select “**Manage Invited Experts**”.
2. You will initially see only experts with approval pending; check the “**Show All**” box to view all experts.
3. Click “**Approve**” or “**Reject**” next to the individual you want to approve/reject.

4. Click “**OK**” to save the decision.

6.6 *Initiate Ballot Invitation*

The first step in sponsor balloting is forming the ballot group. In order to form this group, a ballot invitation must be initiated. All users who have expressed interest in the project through myProject™ will be notified of the ballot group formation. During the invitation period, typically 30 days, individuals (or entity representatives) can join the balloting group, change their voter classification, or withdraw from the ballot. Working Group officers should monitor the group for balance during this period.

Applicable Users:

- Sponsor Chair, Standard Representative, Working Group Chair, Sponsor Ballot Designee

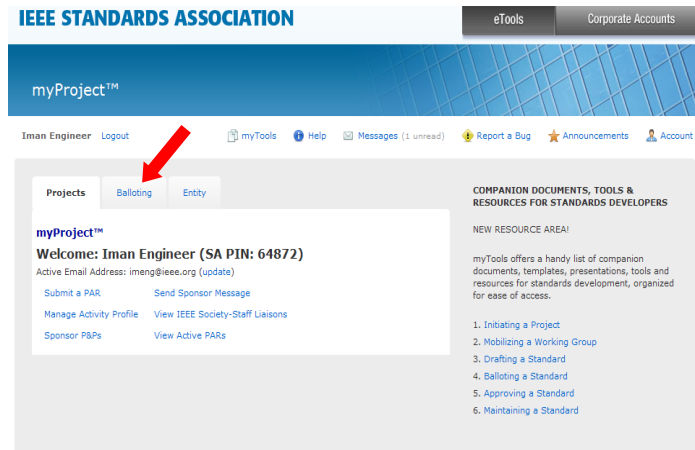

Notes:

- The MEC should be initiated before the ballot invitation is sent out. For more information on submitting a draft for MEC, see **Sec 0**

- **Submit a Draft for MEC.**
- The invitation will not open until your staff liaison reviews and sends the invitation

Instructions:

1. On the **myProject™** Home Screen click the **"Balloting"** tab.

2. Click **"Initiate Invitation Request"**.

3. Complete the fields and click **"NEXT"**.
 - **Project:** Select the project from the drop-down menu.
 - **Ballot Type:** Select the type from the drop-down menu.
 - **Length of Your Invitation:** Enter the length of the invitation, a minimum of 30 days is required.

[myBallot Home \(Management\)](#) >> **Initiate Invitation Request**
Step 1 / 4

Please fill in this form to begin processing your IEEE Standards Sponsor Ballot Invitation.

A pre-ballot review of your draft is strongly recommended. Please [fill out this form](#) to receive a pre-ballot review.

A copy of your PAR may aid in submitting this form. For your convenience a copy of the PAR is available at the [PAR Approvals/History](#) site.

IEEE Standards balloting groups are usually formed by sending out invitations to existing IEEE Standards Invitation pools. Those who are eligible and respond to the invitation become the balloting group for your specific IEEE Standards Sponsor ballot ([as per IEEE-SA Standards Board Bylaws](#)).

Invitations are usually made available for a 30-day period.

Please fill out all fields in this form to begin processing your IEEE Standards Sponsor Ballot Invitation. When complete this information will be sent to your IEEE staff liaison. It normally takes 3-5 business days to process a ballot invitation request. If you have any questions, please contact your [IEEE Standards Staff Liaison](#).

6. Verify the Invitation information.

- Review the invitation. Use the "**BACK**" button to make changes.
- For most ballots, do not include an attachment.
- Additional description can be added in the "**Sponsor Text**" area.
- For a reaffirmation ballot, attach a cover letter in the "**Invitation Attachment**" area or place the cover letter language in the "**Sponsor Text**" area. State clearly in your cover letter that this is a Reaffirmation and no changes will be made to the standard. (See example below)
- Do not attach published standards or drafts, necessary documents will be made available in myProject™ once the ballot has opened.
- Click "**OK**" to complete the invitation process.

Reaffirmation Cover Letter Example:

DATE

Members of Ballot Group IEEE #####.##

Subject: Reaffirmation

IEEE #####.## is currently up for a reaffirmation. For a reaffirmation, no changes can be made to the document. The purpose of the reaffirmation ballot is to allow the ballot group to determine if it believes the existing document is technically correct with no significant obsolete or erroneous information.

6.7 Review Ballot Invitations

When an officer initiates a ballot invitation, the invitation does not automatically open. The staff liaison must first review and send the invitation to move the ballot from the "PreInvite" stage to the "Invitation" stage.

Applicable Users:

- Staff Liaison

Instructions:

1. On the **myProject™** Home Screen, select "**Review Ballot Invitations**".
2. On this screen you will see all of the ballots for your societies that are in the pre-invite or invitation stages. To review an invitation, click "**review**" next to the project invitation you would like to review.

6.8 Reopen/Extend Ballot Invitation

This option is for extending a ballot invitation to allow more people to join the ballot group or change their voter classification.

Applicable Users:

- Sponsor Chair, Standard Representative, Working Group Chair, Sponsor Ballot Designee

Notes:

- This can only be done **after** the ballot invitation closes and **before** the ballot opens (PreBallot stage).

Instructions:

1. On the **myProject™** Home Screen click the **“Balloting”** tab.

6.9 Join a Sponsor Ballot (Individual Balloting)

Applicable Users:

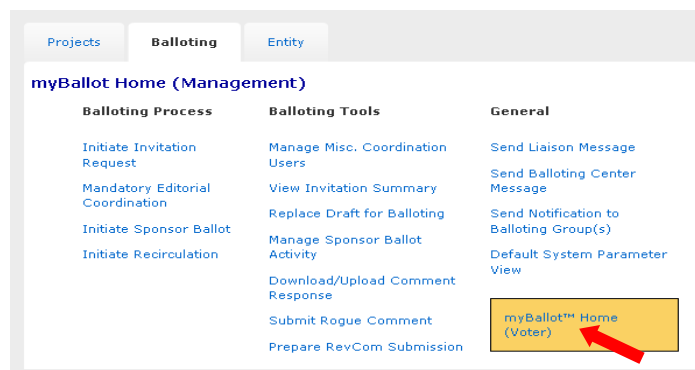

- All IEEE-SA Members

Notes:

- You are required to be an IEEE-SA member or pay a per-ballot fee to join an IEEE-SA ballot.
- Joining a ballot allows you to vote and submit comments when the project opens for balloting.
- Balloting group members have an obligation to respond during the balloting period; failure to return a ballot may disqualify the balloter from participation in future balloting groups.
- You can easily add or remove yourself from a balloting group, but only while the balloting group is forming. Your participation is fixed after the ballot invitation closes.

Instructions:

- On the **myProject™** Home Screen click the **"Balloting"** tab.
- If you have sponsor authority (e.g. sponsor chair, working group chair, sponsor ballot designee), select **"myBallot™ Home (Voter)"**.

- Select **"Show/Join Open Ballot Invitations"**.

- On this screen you will initially see open ballot invitations that are tied to your selection(s) under **"Manage Activity Profile"**. Check the box next to **"Show all open ballot invitations"** to see all ballot invitations you are eligible to join.

myBallot™ Home (Voter) >> Show/Join Open Ballot Invitations

The list below consists of projects/standards in the "invitation" stage of activity areas in which you have indicated an interest. Optionally, you may show all open Ballot Invitations.

Projects on this list are forming and accepting new participants until the "invitation close" date/time shown. To become a participant in a ballot group forming below (and thus be afforded the opportunity to vote/submit comments when the balloting project opens for ballot), click the "Join" link in the Actions column and follow the instructions.

You can also easily remove yourself by clicking the "Remove" link in the Actions column. You can remove yourself from the balloting group only while it is in formation -- after the invitation close date/time, your participation is fixed.

- Click "OK" to complete joining the ballot.

6.10 *Pay to Join a Single Ballot (Individual Balloting)*

Applicable Users:

- All Non-Member myProject™ users.

Notes:

- You are required to be an IEEE-SA member or pay a per-ballot fee to join an IEEE-SA ballot.
- Joining a ballot allows you to vote and submit comments when the project opens for balloting.
- You can easily add or remove yourself from a balloting group, but only while the balloting group is forming. Your participation is fixed after the ballot invitation closes.
- Be sure to leave enough time to process your payment/membership before the close of the ballot invitation.
- While you do not have to be an IEEE member or IEEE Society member to join the SA, it is far more cost effective to do both:
 - IEEE-SA membership entitles you to unlimited individual balloting.
 - Adding IEEE-SA membership to your IEEE membership or IEEE Society membership was \$47 for calendar year 2011.
 - Joining the IEEE-SA alone was \$219 for calendar year 2011.
 - Per-ballot fee is the most costly option. It was \$275 for one individual sponsor ballot (including any recirculations) in 2011.
 - More information on membership can be found at: <http://standards.ieee.org/membership/>

Instructions:

1. On the **myProject™** Home Screen click the "**Balloting**" tab.
2. Select "**Join Single Ballot**".

3. Fill out the form to submit your information electronically or click "**print & mail**" to print the form and follow the instructions on the page to mail in your request.

6.11 *Override Membership Status*

It may be necessary to override an individual's membership status so that individual can participate in a ballot. This is usually done if an application is in process and membership will not be official before the ballot invitation closes or if an individual has paid the balloting fee.

Applicable Users:

- ODB Staff, Ballot Center Staff

Notes:

- This may only be done while the ballot is in the invitation stage.

Instructions:

1. On the **myProject™** Home Screen, select "**Override IEEE/SA Membership Status**".
2. On this screen, you will see all individuals who are in "override" status.
 - To remove an individual's override status, click "**remove**" next to their name.
 - Once an individual's membership has been processed, you can click "**combine**" next to their name to combine this account with a new web account. This will merge the ballot records and allow the individual to access this ballot from his/her new web account.

To override for a new individual, click "**Override Membership**".

3. Enter the username of the individual whose membership you are overriding, select the ballot they will be participating in, select the reason for the override (application processing or ballot fee paid) and click "**NEXT**".
4. Review the ballot information and select the voter classification for the individual.
5. Click "**OK**" to complete the override.

6.12 Join a Ballot (Entity Balloting)

Participation in Entity Ballots is limited to IEEE-SA Entity Members. These entities are represented by an EBR (Entity Ballot Representative) and EBRA (Entity Ballot Representative Alternate). Any employee of the Entity Member institution may enroll as the EBR or EBRA if the slot has not already been filled. Only the EMR (Entity Member Representative) has the ability to replace the EBR or EBRA.

Applicable Users:

- EBR (Entity Ballot representative) or EBRA (Entity Ballot Representative Alternate) of an IEEE-SA Advanced Corporate member.

Notes:

- Joining a ballot allows you to vote and submit comments when the project opens for balloting.
- You can easily add or remove yourself from a balloting group, but only while the balloting group is forming. Your participation is fixed after the ballot invitation closes.
- **Each entity shall name one primary voting representative and, optionally, one alternate voting representative. Only a ballot from one of these representatives will be accepted.** If ballots are received from other parties, they will not be counted. If ballots are received from both the primary voting representative and the alternate voting representative, only the vote from the primary voting representative will be counted.
- **By joining a ballot, you will automatically be entered as the EBR if one has not already been entered.** If the EBR slot is filled, you will be entered as EBRA. If both slots are filled, you will be added to a waiting list.
- Each primary and alternate voting representative can ballot for only one entity; no individual can represent the interests of more than one entity.

Instructions:

1. On the **myProject™** Home Screen click the "**Entity**" tab.
2. Select "**Entity Project Enrollment**".

3. Check the "**Join/Remove Interest Area**" box to the left of the project(s) you are enrolling, select your affiliation for that project from the "**Affiliation**" drop-down box on right, and click "**OK**".
 - Your affiliation must be an entity member. Entity members have "(Entity Member)" at the end of their names in the drop-down box.
 - Entities can be represented in a ballot group by a maximum of two individuals: a primary member and an alternate member. If your affiliate is already represented in the ballot group in those two roles, you will be asked if you wish to join a wait list.

1. On the **myProject™** Home Screen click the "Balloting" tab.
2. If you have sponsor authority (e.g. sponsor chair, working group chair, sponsor ballot designee), select "**myBallot™ Home (Voter)**".
3. Select "**Show/Join Open Ballot Invitations**".

4. On this screen you will initially see open ballot invitations that are tied to your selection(s) under "**Manage Activity Profile**". Check the box next to "**Show all open ballot invitations**" to see all ballot invitations you are eligible to join.

myBallot™ Home (Voter) >> Show/Join Open Ballot Invitations

The list below consists of projects/standards in the "invitation" stage of activity areas in which you have indicated an interest. Optionally, you may show all open Ballot Invitations.

Projects on this list are forming and accepting new participants until the "invitation close" date/time shown. To become a participant in a ballot group forming below (and thus be afforded the opportunity to vote/submit comments when the balloting project opens for ballot), click the "Join" link in the Actions column and follow the instructions.

You can also easily remove yourself by clicking the "Remove" link in the Actions column. You can rejoin yourself from the balloting group only while it is in formation -- after the invitation close date/time, your participation is fixed.

6.16 *Initiate Sponsor Ballot*

Once the ballot invitation is closed, and the ballot group has been balanced, it is time to prepare the final draft and initiate the ballot.

Applicable Users:

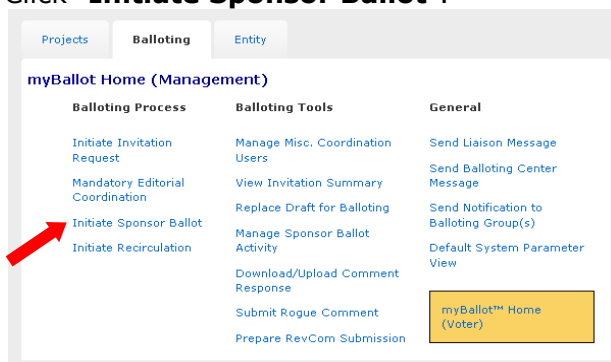

- Sponsor Chair, Standard Representative, Working Group Chair, Sponsor Ballot Designee

Notes:

- The ballot will not actually open until your staff liaison approves the uploaded draft.
- A cover letter is not required

Instructions:

1. On the **myProject™** Home Screen click the **"Balloting"** tab.
2. Click **"Initiate Sponsor Ballot"**.

3. Select your project from the PAR drop down list.
4. Enter the **"Ballot Open Date"**.
5. Enter the **"Ballot Close Date"** (should be a minimum of 30 days).
6. Enter the **"Draft #"** (must match the draft number in the draft).
7. **Select File for Uploading:** Click the Browse... to find your draft file. The file must be in PDF format.
8. Review the system generated text. If you would like to add additional instruction or information, use the **"Sponsor Text"** Area.
9. Click **"Initiate Ballot"**.

6.17 Review/Approve a Draft for Balloting

Applicable users:

- Staff Liaison

Notes:

- The ballot will not open until a staff liaison approves the uploaded draft.

Instructions:

1. On the **myProject™** Home Screen click the **"Balloting"** tab.
2. Select **"Review Sponsor Drafts"**.
3. On this screen, you will see all of the drafts that have been submitted for balloting. You can view the PAR and the draft document by clicking on them. To approve the draft, click **"approve draft"**.
 - If you need to replace the draft document, click **"replace draft"** and upload a new PDF file.

6.18 *Vote and/or Comment on a Ballot*

Applicable users:

- myProject™ users currently enrolled in a ballot

Notes:

- Instructions for Entity Balloting are the same, but ballots are accessed through the “**Entity**” tab instead of the “**Balloting**” tab.

Instructions:

1. On the **myProject™** Home Screen, click the “**Balloting**” tab.
2. If you have sponsor authority (e.g. sponsor chair, working group chair, sponsor ballot designee), select “**myBallot Home (Voter)**”.
3. Select “**Manage myBallot Activity**”.

4. On this screen, you will see all active ballots that you have participated in (check “include Inactive ballots” to show all ballot history). You can view the draft document by clicking on the file under the draft number.
5. If the project is in the balloting stage, you will see a dropdown box under the “Vote” column. Select your vote and click “**OK**” so save.

6. To make a comment, click the “**Comments**” button.
 - To submit a single comment:
 1. Click “**Single Comment Submittal**”.
 2. Complete the comment form, then click “**OK**” (be sure to be as clear as possible with your reasons for a disapprove vote).
 3. Complete the previous steps again to make additional comments.
 - To submit multiple comments at one time:
 1. Click “**Offline Comment Submittal**”.

2. Select the file format you want to use.
3. Go back to the Offline Comment Submittal page and enter the file location in the input box. (Click the Browse button to find the file you saved)
4. Click "OK"

NOTE: You must follow some rules for uploading multiple comments, and strictly adhere to the formats presented in the "Data Field Descriptions". Failure to do so will, at best, result in difficulties with the upload and, at worse, could cause your upload to be rejected or partially uploaded.

6.19 Change (Flip) a vote

After balloting closes, voters who have voted "Disapprove", may "flip" their vote to either "Approve" or "Abstain" at any time before recirculation or the RevCom meeting.

Applicable users:

- myProject™ users who have voted "Disapprove" on a ballot.

Notes:

- You will receive notification of your vote change. This notification will be included with the RevCom submission.
- You may only change you vote once using this feature. You will not be able to change the vote back to "Disapprove".

Instructions:

- On the myProject™ Home Screen, click the "Balloting" tab.

6.21 *Comment Resolution*

6.21.1 *Resolution Status Definitions*

The IEEE-SA has not defined the meaning of the Resolution Status (Agree, Disagree, Out of Scope, Principle, & Unresolvable) to give a leeway to the committee. Here are some guidelines:

Agree/A: committee agrees with the comment and implements change exactly as suggested.

Revised (new for ballots started after 1 June 2011)--The ballot resolution committee accepts the suggested remedy in principle. This means that the ballot resolution committee will make a change to the draft based on a revision of the suggested remedy. The Resolution Detail field shall provide sufficient detail for ballot group members to understand the revision of the suggested remedy provided by the commenter.

Rejected (new for ballots started after 1 June 2011)--The ballot resolution committee does not accept the suggested remedy. The Resolution Detail field shall provide sufficient detail for ballot group members to understand the rationale for this rejection.

The following resolution status values are obsolete beginning 1 June 2011: For all initial and recirculation ballots in process at the time of the roll-out (1 June 2011), the "OLD" Resolution Status options, including 'Unresolvable' and 'Out of Scope', will be used. For all ballots that start after the roll-out (initial and recirculation), only the "NEW" Resolution Status options, excluding 'Unresolvable' and 'Out of Scope', will be used.

For bulk comment files, here are the find/replace operations you may need to do if you completed the field with "old" responses and need to convert to "new" responses.

(1) Highlight the Resolution Status column and perform the 'find/replace' procedure with the following:

(2) Replace Agree with Accepted.

(3) Replace Principle with Revised

(4) Replace Disagree, Out of Scope and Unresolvable with Rejected

*NOTE: Verify that the Resolution Details are accurate or make sense after the replacements are made. Suggest adding the text "out of scope" for "unresolvable" to the Resolution Details where applicable

Disagree/D: committee does not agree with the comment.

Out of Scope/OOS: comment may refer to something that is not available for comment at this time /comment is outside of the scope of the document or recirculation. Note: The section of the document that was not commented on the first review is recognized as approved section and the negative comment on the recirculation may not be recognized unless majority of WG/BRC (Ballot Resolution Committee) feels the need to address the comment.

Principle/P: committee agrees in theory but does not agree with the change or the other way around. In any case, a detail response needs to be made to state your action.

Unresolvable: comment cannot be resolved (may be too broad or vague) or the chair has unsuccessfully attempted to contact the commenter to resolve the issue.

6.21.2 Respond To Ballot Comments Individually

Applicable Users:

- Working Group Chair, Sponsor Ballot Designee

Notes:

- All comments must be responded to. The response should show that the comment was seriously considered (myProject will accept a resolution status without any detail but RevCom will look for the details).

Instructions:

1. On the **myProject™** Home Screen click the **"Balloting"** tab.
2. Click **"Manage Sponsor Ballot Activity"**.

3. Find the project you want to manage and click the number under the **"Comments"** column to view the comments.

To prepare your ballot's comment resolution offline, first download the comment resolution package below which contains a CSV file of the comments and includes any files which were attached to the comments.

[Download Comment Resolution Zip File](#) 

Then use a spreadsheet application to edit the CSV file, adding values to the columns for "Resolution Status" and "Resolution Detail".

The "Resolution Status" column must contain one of the following values:

- Agree
- Principle
- Disagree
- Out of Scope
- Unresolvable

Note: You will receive an upload error message if the "Resolution Status" column contains text other than that specified above.

The "Resolution Detail" may be any text describing the resolution.

After you have updated the spreadsheet and the ballot is in the comment resolution stage, you can upload the file in CSV or Excel (XLS) format from this page.

UPLOAD COMMENT RESOLUTION FILE:

5. Edit the CSV file using any spreadsheet editor and save the file in either .csv or .xls format.
 - **Make sure to only use only the values listed on the download page (Agree, Principle, Disagree, Out of Scope, Unresolvable) in the "Resolution Status" column.**

6.21.4 Upload Comments Resolution File

Applicable Users:

- Working Group Chair, Sponsor Ballot Designee

Notes:

- All comments must be responded to. The response should show that the comment was seriously considered.

Instructions:

1. On the **myProject™** Home Screen click the "**Balloting**" tab.
2. Click "**Download/Upload Comment Response**".
3. Select the PAR # from the drop down-box and click "**OK**".

5. Click "**OK**".
6. View the comments in myProject and make sure your comments were uploaded correctly (See Sec 6.21.2 for more detail).

6.22 *Replace a Draft for Balloting*

Applicable Users:

- Sponsor Chair, Standard Representative, Working Group Chair, Sponsor Ballot Designee

Notes:

- Files must be in PDF or ZIP format.
- The draft must be approved by the Staff Liaison before balloting/recirculation.

Instructions:

1. On the **myProject™** Home Screen click the **“Balloting”** tab.
2. Click **“Replace Draft for Balloting”**

3. Select the PAR from the drop-down box and click **“OK”**.

4. Enter the new draft number and click **“Browse...”** to select the new draft file.

5. Click **“OK”** to submit the new draft.

6.23 *Initiate Recirculation*

A recirculation is needed when:

- Substantive changes were made since the last balloted draft (whether triggered by comments accompanied with YES or NO votes).
- Comments are received from IEEE-SA editors marked “must be satisfied” (MBS).
- A recirculation resulted in negative votes with new comments within the scope of the recirculation.

On a recirculation, a vote shall be based only on the changed portions of the balloted document, clauses affected by the changes, or portions of the balloted document that are the subject of the unresolved negative votes

Applicable Users:

- Sponsor Chair, Standard Representative, Working Group Chair, Sponsor Ballot Designee

Notes:

- A cover letter is required.
- The recirculation must be approved by the Staff liaison.

Instructions:

6. On the **myProject™** Home Screen click the “**Balloting**” tab.
7. Click “**Initiate Recirculation**”.

8. Select the PAR from the drop-down box and click “**OK**”.
9. Complete the fields, click “**Browse...**” to select files, making sure to include:
 - Cover letter stating the reason for recirculation. Click the “view a sample cover letter” link to view/download a sample cover letter that you can use as a template.
 - Draft number, if changes have been made. This number must match the draft number on the file being uploaded.
 - New draft in PDF format, if changes have been made. If a draft is not provided, the system will assume you did not make any changes to the draft since it was last balloted. If this is the case, the last balloted draft will be available to the ballot group during the recirculation ballot.
 - Additional files you wish the ballot group to review (optional). You can only upload one file; if you want to include multiple files, create a .zip file first and upload that.
 - Number of days you want the recirculation ballot to remain open (minimum 10).

6.24 Review Ballot Recirculations

When an officer initiates a ballot recirculation, recirculation does not automatically open. The staff liaison must first review and send the invitation to move the ballot from the "PreInvite" stage to the "Invitation" stage.

Applicable Users:

- Staff Liaison

Instructions:

1. On the **myProject™** Home Screen click the "**Balloting**" tab.
2. Click "**Review Ballot Recirculations**".
3. On this screen you will see all of the ballots recirculations requiring review. To review recirculation documents, click "**review**" next to the ballot recirculation you would like to review.

6.25 Request a Ballot Termination

Terminating a ballot means that the ballot group has been disbanded. A request will be sent to Balloting Center staff, who will terminate the ballot.

Applicable Users:

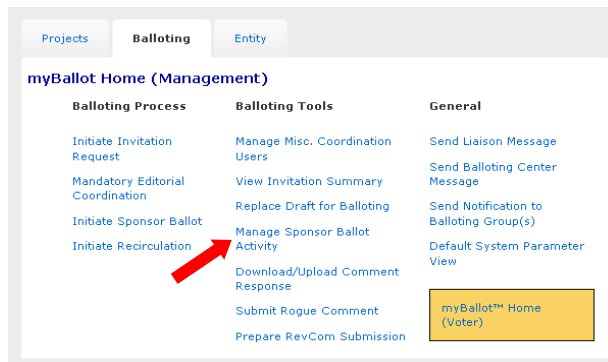

- Sponsor Chair, Standard Representative, Working Group Chair, Sponsor Ballot Designee

Notes:

- You must supply a reason for terminating the ballot.
- The ballot must re-start from the invitation stage and all individuals must re-enroll in the ballot at that time.
- You may terminate a ballot at any stage in the balloting process.

Instructions:

1. On the **myProject™** Home Screen click the **"Balloting"** tab.
2. Click **"Manage Sponsor Ballot Activity"**.

3. Find the ballot you want to terminate and click **"terminate ballot"** next to it.
