1 Introduction

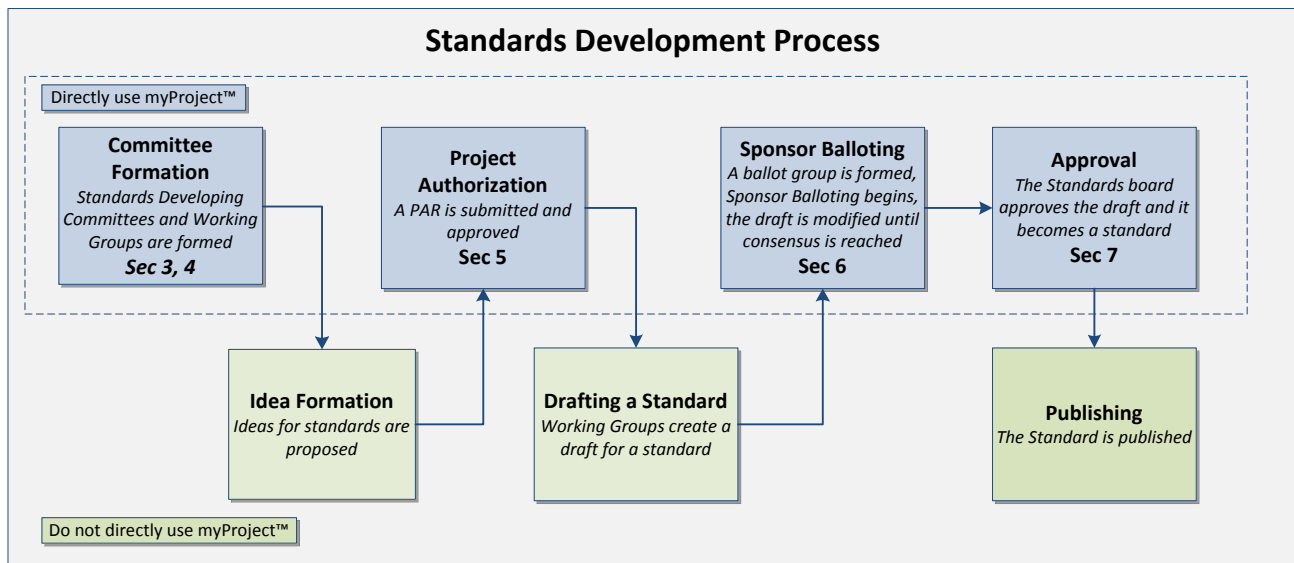

myProject™ is:

- A web-based tool that facilitates the IEEE standards process
- A database that holds information related to the standards process
- A tool used by IEEE members, staff, and other individuals who want to participate in the standards process

In order to use my project, you must have:

- Access to the internet
- A web browser (e.g. [Internet Explorer](#), [Firefox](#), etc.)
- A PDF viewer (e.g. [Adobe Reader](#))
- A spreadsheet editor **only for download/upload comment functions** (e.g. Excel)
- An IEEE web account
 - IEEE Web Accounts are free and do not require IEEE membership.
 - If you do not have an IEEE web account, create one by going to: http://www.ieee.org/go/create_web_account

How myProject™ is used in the standards development process:

Relevant sections of the myProject™ User Guide:

- Committee Formation – **Sec 3. Managing Activities, Roles and Affiliations, Sec 4. Manage Sponsors and Working Groups**
- Project Authorization – **Sec 5. The PAR Submission and Approval Process**
- Sponsor Balloting – **Sec 6. Sponsor Balloting**
- Approval – **Sec 7. RevCom Submission and Review**

2 Getting Started

2.1 Accessing myProject™ for the First Time.

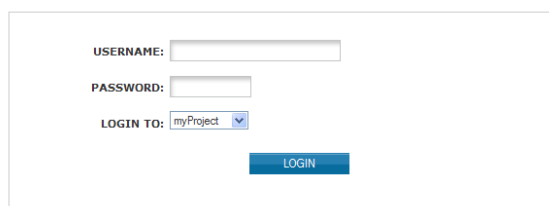

Applicable Users:

- All myProject™ users

Instructions:

1. Go to <https://development.standards.ieee.org/my-site>
2. Enter your IEEE Web Account username and password and click "**LOGIN**".
 - If you do not have an IEEE web account, you can create one by clicking on the "**Need an IEE Web Account?**" link.

PLEASE LOG IN
Now you can access myProject, IMAT, and Mentor with a single login. Simply enter your IEEE Web Account username and password below to begin!

PASSWORD:

LOGIN TO:

[Retrieve Your Web Account Username and/or Password](#)
Note: IEEE uses Cookies for Web Account Registration, Change Password and Recover Username/Password

2.2 Accessing/Updating myProject™ Account Information

When you access myProject™ for the first time, the Account page will open, requesting information. This information is used by the system to notify you of events and tasks, as well as to automatically add your information to some fields, and is maintained separately from your IEEE Web Account information. This information is required, and only asked for once. You can change this information, however, at any time by clicking on the "**Account**" link on the Home Screen.

Applicable Users:

- All myProject™ users

Instructions:

1. Select/enter your employer/position information (*you can select your employer from the list, or type it in if it isn't visible*).
2. Enter your address information.
3. Enter your telephone numbers.
4. Enter a secondary email, if any (*If provided, a copy of all messages will be sent here*). Your primary email is maintained through your IEEE Web Account and can be changed by clicking the "Click to change" link.
5. Click "**OK**" to save your information.

2.3 Accessing Messages and Notification Preference

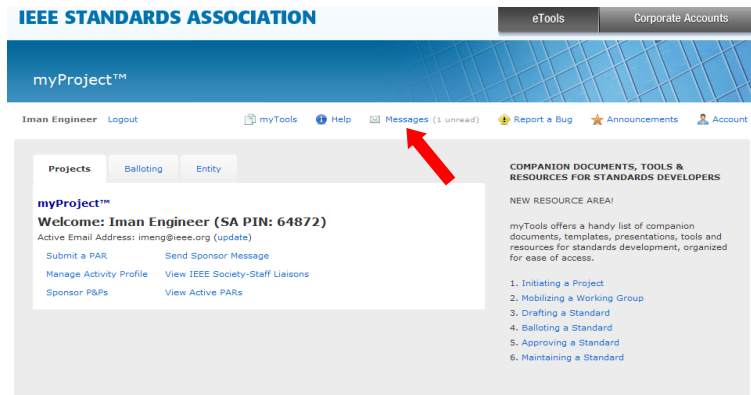

MyProject™ users are notified of important events through the myProject™ “Messages” section as well as through email.

Applicable Users:

- All myProject™ users

Instructions:

1. From the myProject™ home screen, click “Messages”.

2. From this screen, you will be able to see all myProject™ notifications.
3. Click on the message subject text to display the message.
4. Place a check in the boxes next to the message to mark messages as read or flagged, or to delete messages.
 - You can check a range of boxes at once by clicking the first box, holding the “Shift” key and clicking the last box.

5. Click “UPDATE” to apply any changes.
6. To manage notification preferences, click “preferences”.

7. Check the box to activate or deactivate features.

- “Show only Subject...” when checked will only show subjects in your daily email summary, not the message text.
 - “Use Web Account Email...” when checked will send emails to your primary email address.
 - “Receive emails immediately” when checked will send notification emails as they are generated instead of a daily email digest.
8. Change the “number of notifications per page” to change how many messages appear per page in the list view.
9. Click “**OK**” to save your changes.

2.4 The myProject™ Home Screen

The following features are available to all users. Additional features may be available to you based on your specific role and will appear in the lower section.

The screenshot shows the myProject™ Home Screen for a user named Iman Engineer. The page includes a navigation bar with 'eTools' and 'Corporate Accounts' tabs. A sidebar on the left contains links for 'myTools', 'Help', 'Messages (1 unread)', 'Report a Bug', 'Announcements', and 'Account'. The main content area displays a welcome message and a list of actions: 'Submit a PAR', 'Send Sponsor Message', 'Manage Activity Profile', 'View IEEE Society-Staff Liaisons', 'Sponsor P&Ps', and 'View Active PARs'. A section titled 'COMPANION DOCUMENTS, TOOLS & RESOURCES FOR STANDARDS DEVELOPERS' lists a 'NEW RESOURCE AREA!' with a numbered list of steps from 1 to 6. Callout boxes provide additional information: one points to the 'eTools' tab, another to the 'myTools' sidebar, and two others point to the action links and the resource list.

Click on "eTools" to access other tools (Mentor and IMAT)

Help

Use this link to get the latest information and help related to the screen you are on.

Messages

This screen allows you to view all system notifications. You can also manage your email notifications here.

Report a Bug

This page lets you report a myProject™ bug to the system administrator.

Announcements

Breaking news about myProject™ may be found here.

Account

This area allows you to edit your IEE-SA contact information as well as manage your affiliations.

Submit a PAR

This is for use by any SA Member who wishes to submit a PAR (Project Authorization Request) for consideration by NesCom. This screen is used for all PAR requests and all PAR actions (modify, extend, withdraw).

Manage Activity Profile

Use this screen to join sponsor committees, working groups and projects of interest to you.

Sponsor P&Ps

This is a comprehensive list of IEEE Sponsor P&Ps (Policies and Procedures) including their acceptance status.

Send Sponsor Message

This is for committee chairs and IEEE Standards Staff use in sending an email notification to a sponsor.

View IEEE Society-Staff Liaisons

This link brings you to a list of all IEEE Society-staff liaisons.

View Active PARs

This screen provides a view and search function on all active PARs. A link to view the approved PAR is provided.

3 Managing Activities, Roles and Affiliations

3.1 Join an Activity/Register as an Interested Party (Sponsor, Working Group, Project)

Joining an activity allows you to receive ballot invitations and other notifications, be selected as Working Group chair or other officer and get access to the group's Mentor area (Mentor is the IEEE-SA tool for group collaboration). Joining an activity also adds you to the roster and allows the chair to assign involvement levels. For more information on rosters, see **Sec 4.8 Assign Involvement Level in a Working Group**.

Applicable Users:

- All myProject™ users

Notes:

- To be appointed as an officer or other designation you must register at the appropriate level, e.g. Standards Representative – Sponsor Level, Working Group Chair – Working Group Level, Ballot Designee – Project Level
- IEEE-SA Basic Corporate membership or above is required to observe an entity project.
- Only IEEE-SA Advanced Corporate Members can contribute and hold voting privileges in entity working groups.

Instructions:

- On the **myProject™** Home Screen, select "**Manage Activity Profile**".
- On the "Manage Activity Profile" Page, scroll down to the Society or SCC you are interested in and expand the tree by clicking the "+" sign to view Sponsors, Working Groups, and Projects.

	Name	Designator ▲	Contact
	IEEE Aerospace and Electronic Systems Society	AES	
	IEEE Antennas and Propagation Society	APS	
Society	Antennas	APS/A	Michael Francis

Project	Guide for Measurements of Electromagnetic Properties of Earth Media	APS/P/P356/356	David Thiel
	IEEE-SA Board of Governors	BOG	
	IEEE Broadcast Technology Society	BTS	

- Check the box next to the activity you are interested in (Sponsor, Working Group, Project).
- Click "**CONTINUE**"
- Confirm your interest area and enter your affiliation information.
 - Select from the list or type in your company/organization.
- Click "**CONTINUE**"

3.2 Update Affiliation Information

Use this function to manage your affiliation for each project/PAR. A person could be affiliated with different entities on different PARs. See affiliation guidelines at <http://standards.ieee.org/faqs/affiliation.html>

Applicable Users:

- All myProject™ users

Instructions:

1. On the **myProject™** Home Screen click the "**Account**" link in the upper right.
2. Click the "**Affiliation Information**" link.

myProject™ >> **Account**

This information is solely for the use of the IEEE-SA and will not be provided to any third parties or used for commercial purposes.

You can also manage your  [Affiliation Information](#) or view the [Obligations for Participation in IEEE Standards Development](#) agreement.

3. Update your affiliation for each project listed.
 - Select from the list or type in your company/organization.
4. Click "**OK**".

3.3 Entity Members and myProject™

Management of entity roles (DR/DRA & EBR/EBRA) is done by the EMR (Entity Member Representative). Other information for Entity Membership is not managed through myProject™ and is obtained from the MemberClicks database. This information includes: The name of the organization, the username of the EMR and the type of entity membership (basic or advanced).

3.4 Enroll as DR or DRA (Entity Working Groups)

Participation in Entity Working Groups is limited to IEEE-SA Entity Members. These entities are represented by a DR (Designated Representative) and DRA (Designated Representative Alternate). Any employee of the Entity Member organization may enroll as the DR or DRA if the slot has not already been filled. Only the EMR (Entity Member Representative) has the ability to replace the DR or DRA.

Applicable Users:

- Employees of Entity Member organizations

Notes:

- Users must have an IEEE-SA Entity Member organization listed as their employer in order to represent his/her company in entity projects.

Instructions:

1. On the myProject™ Home Screen, click the "Entity" tab.
2. Click "Entity Project Enrollment".

3. Place a check next to the projects you would like to enroll in and enter your company in the "Affiliation" box. Make sure you enter the same Entity Member organization that you have listed as your employer.

4. Click "OK" to confirm enrollment in the project.
5. Click "Entity Designated Representative"

Entity Home >> Entity Project Enrollment

- Click **“enroll as designated representative”** next to the project you would like to enroll as DR for. (If the DR slot has already been filled, you will be able to select “enroll as alternate representative”. If both have been filled, you will be able to select “add to representative waitlist” to add your name to a waiting list visible to the EMR.)

- Click **“OK”** to confirm your enrollment.
- Your name will now show up under “Designated Representative” or “Alternate Representative”.

3.5 Manage DR and DRA (Entity Working Groups)

Participation in Entity Working Groups is limited to IEEE-SA Entity Members. These entities are represented by a DR (Designated Representative) and DRA (Designated Representative Alternate). Any employee of the entity member institution may enroll as the DR or DRA if the slot has not already been filled. Only the EMR (Entity Member Representative) has the ability to replace the DR or DRA.

Applicable Users:

- EMR

Notes:

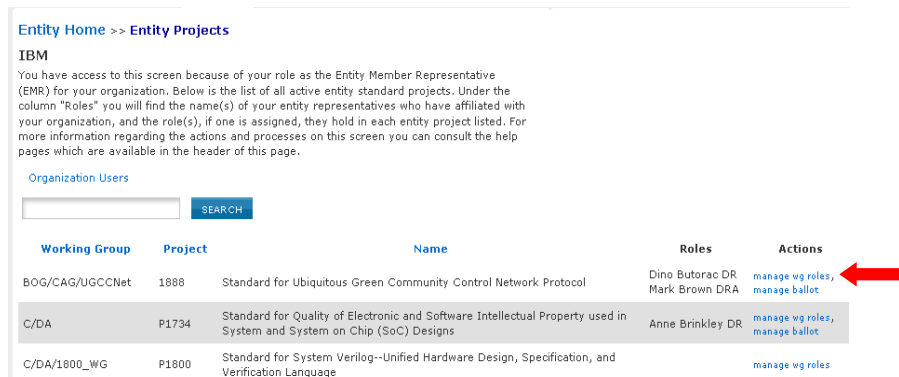

- Users must already be enrolled in the entity project to be added as DR or DRA.

Instructions:

1. On the **myProject™** Home Screen, click the **"Entity"** tab.
2. Click **"Manage (your company)"**.

3. Click **"Manage WG Roles"** next to the Working Group you want to manage.

4. You will see individuals currently enrolled as the DR and DRA as well as a waiting list of other individuals who have expressed interested in becoming the DR/DRA.
 - To remove an individual from a DR/DRA position, delete their username from the box and click **"OK"**
 - To replace an individual in a DR/DRA position, replace their username with the username of the new individual and click **"OK"**
 - You may replace both usernames at the same time or switch the two.
 - You may assign a new DR/DRA, but it is recommended that you let the individual enroll him/herself or use a name from the waiting list to ensure they have already enrolled in the project.

4 Manage Sponsors and Working Groups

4.1 Upload & Manage Sponsor P&Ps

In order to submit PARs, Sponsor Committees must have approved P&Ps (Policies and Procedures) on file. P&Ps can be submitted and status monitored through **myProject™**.

Applicable Users:

- Sponsor Chair, Standard Representative

Instructions:

1. On the **myProject™** Home Screen, select **"manage committees"**.
2. Under the **"Sponsor Committees"** section click **"Manage"** under the **"Actions"** column.

4.2 Submitting an L50S

Sponsors are responsible for submitting an L50S form annually to report the financial activity of the committee.

Applicable Users:

- Sponsor Chair, Standard Representative

Notes:

- You will receive email notification through the myProject™ messaging system that L50S forms need to be submitted.
- Actual submission of the L50S is not done within myProject™.

Instructions:

1. From the myProject™ home screen, click "**Messages**".
2. Click on the message relating to the L50S.

4. Complete the online form and upload your completed L50S by going to: http://grouper.ieee.org/cgi-bin/upload_l50

4.3 Assign/Change Sponsor Officers

The Sponsor chair has the ability to assign a standards representative, secretary, vice-chair(s), co-chair and treasurer.

Applicable Users:

- Sponsor Chair, Standard Representative (*Only Sponsor Chair will have access to change Standard Representative*)

Notes:

- The Standard Representative will have the same access in myProject™ as the sponsor chair. Other officers will not be given special access.
- **The person you are about to assign this role must sign up as an interested party in the activity area first and be an IEEE and IEEE-SA member.**
- For instructions on joining activities, see **Sec 3.1**
- **The individual's username is needed to assign them an officer position.**

Instructions:

1. On the **myProject™** Home Screen, select **"manage committees"**.
2. Under the **"Sponsor Committees"** section click **"manage"** under the **"Actions"** column.

- Select "**OK**"

4.5 Assign/Change Working Group Officers

The Sponsor Chair and Standard Representative have the ability to assign officers for any of their Working Groups. Once a WG (Working Group) chair is assigned, he/she has the ability to manage the WG actions in myProject, including: manage committee, assign WG Officers, manage the WG Voting Member roster, initiate ballot invitations, start sponsor ballots, and more. A working group can manage more than one PAR/project. The working group chair may solicit help from the WG to manage the Sponsor ballots for the PARs. The person assigned to manage a Sponsor ballot for a specific PAR is called the Sponsor Ballot Designee. If a sponsor ballot designee is not assigned the responsibility falls on the WG chair.

Applicable Users:

- Sponsor Chair, Standard Representative, Working Group Chair
- *Only Sponsor Chair/Standard Representative can assign Working Group Chair*

Notes:

- The person you are about to assign this role must sign up in this activity area first and be an IEEE and IEEE-SA member.
- Officers of working groups developing under the entity method must be representatives of Advanced Entity Members.
- For instructions on joining activities, see **Sec 3.1**

4.6 Accept an Assigned Role

Applicable Users:

- Working Group Chair

Notes:

- Do this to accept the role of working group chair.
- For other officer roles, individuals will just receive a notification that they have been added as an officer.
- The chair will not be able to use myProject™ until he/she accepts or declines the role.

Instructions:

1. Login to **myProject™**
2. You will be prompted with a message informing you that you have been selected to serve as (*role title*) along with an agreement for acceptance.

myProject™ >> Account >> Working Group Chair Agreement
You have been selected to serve as Working Group chair. In order to assume this position, you must agree to the following:

I, Michael Lerer, as the Working Group Chair for the C/LM/WG802.5 Token Ring Working Group working group as of 29-Jul-2011, knowingly take on all responsibility for all project(s) under this working group.

As the Working Group Chair, I agree to avoid knowingly incorporating in Standards Publication(s) any copyrighted or proprietary material of another without such other's consent and acknowledge that Standards Publication(s) shall constitute a "work made for hire" as defined by the Copyright Act, and, that as to any work defined, I agree to and do hereby transfer any right or interest I may have in the copyright to said Standards Publication(s) to IEEE.

I acknowledge having read and understood the IEEE Code of Ethics:
<http://www.ieee.org/ethics>

Please be advised that all Working Group Chair candidate requirements are outlined in the IEEE-SA Standards Board Bylaws, Section 5.2:
<http://standards.ieee.org/guides/bylaws/sect5.html#5.2>

3. Select "**Accept**" to accept the role.

4.7 Select Involvement Levels

These are the involvement levels available to Working Groups:

- **Voting Member** = a voting member
- **Non Voting Member** = a member without voting rights
- **Observer** = someone who attends meeting or gets notices but does not participate
- **Aspirant Member, Nearly Member, Potential Member** = anything the group would like them to mean

Since not all Working Groups use all of these involvement levels, groups have the ability to select the ones they would like to use in myProject™ and Mentor.

Notes:

- The "Observer" involvement level may not be removed
- The "Interested" involvement level is also not optional, as it represents a user who has not been assigned an involvement level.

Applicable Users:

- Sponsor Chair, Standard Representative, Working Group Officers

Instructions:

1. On the **myProject™** Home Screen, select "**manage committees**".
2. Under the "**Working Group Committees**" section click "**manage**" under the "**Actions**" column.

4.8 Assign Involvement Level in a Working Group

Working Group Officers have the ability to define the involvement level of those who have enrolled in a committee using myProject™. Involvement levels are used to allow write access to the group’s Mentor area.

Applicable Users:

- Sponsor Chair, Standard Representative, Working Group Officers

Notes:

- The involvement level set for a person in myProject™ will determine the type of access that person has to the Working Group area in Mentor.
 - See Mentor documentation for more information on how involvement levels affect access.

4.9 Assign/Change Sponsor Ballot Designee and Other Project Officers

A Working Group can manage more than one PAR/project. The Working Group Chair may solicit help from the working group to manage the Sponsor ballots for the PARs. The person assigned to manage a Sponsor ballot for a specific PAR is called the Sponsor Ballot Designee. The Working Group Chair may also assign individuals to assist with other phases of the project. If a designee is not assigned, the responsibility falls on the working group chair. Designees will be granted access in myProject™ to facilitate their specific function.

Project officers are:

Sponsor Ballot Designee/Alternate Ballot Designee – This individual may act on behalf of the Sponsor Chair and Working Group Chair to manage ballot activity for a specific project.

NesCom Designee – This individual has the ability to submit changes to existing PARs on behalf of the Working Group Chair.

RevCom Designee – This individual has the ability to submit material to RevCom on behalf of the Working Group Chair.

Coordination Designee – This individual has the ability to manage coordination (MEC, SCC14, etc.) on behalf of the Working Group Char.

Applicable Users:

- Sponsor Chair, Standard Representative, Working Group Officers

Notes:

- The person you are about to assign this role must sign up in this activity area first and be an IEEE and IEEE-SA member.
- For instructions on joining activities, see **Sec 3.1**
- The individual's username is needed to assign them an officer position.

4.11 *Send a Notification to Group*

MyProject™ will automatically send notifications to all users who have expressed interest in a group for specific activities, e.g. ballot invitations. "Send Notification to Group" allows officers and staff to send additional notifications to interested users.

Applicable Users:

- Sponsor Chair, Standard Representative, Working Group Officers

Notes:

- Anyone who registers as interested in the group in the "Manage Activity" area will receive messages sent to that group. Notifications are not tied to access levels or IEEE-SA membership.
- Sponsor and Working Group level interests are treated separately, therefore: Users interested at the sponsor level will not receive notifications sent to related Working Groups only. Users interested at the Working Group level will not receive notifications sent to the related sponsors only.

5 The PAR Submission and Approval Process

In order to start work on a new standard, a PAR (Project Authorization Request) must be submitted. Work cannot start on a standard until the PAR is reviewed by NesCom (New Standards Committee) and approved by the Standards Board.

Relevant sections of the myProject™ user guide:

- PAR is Submitted - **5.1 Submit a PAR for a New IEEE Standard, 5.3 Submit a PAR for a Revision, Corrigendum, or Amendment, 5.4 Modify an Approved PAR , 5.6 Withdraw an Approved PAR**
- Sponsor Accepts PAR - **5.7 Accept or Reject a PAR**
- NesCom Comments on the PAR - **5.8 Commenting and voting on a PAR, 5.10 Respond to NesCom Comments About a PAR**

5.1 Submit a PAR for a New IEEE Standard

This form is for submitting a PAR related to a completely new standard. The project can be worked on by an existing Working Group, or a new one can be requested. You must have approval of a sponsor committee, however, for your PAR to be considered.

Applicable Users:

- IEEE-SA Members

Notes:

- The Sponsor must have an approved P&P (policy and procedures) before it can submit a PAR.
- If the Sponsor's P&P is expired, the P&P must be reapproved before submitting a PAR. (For more information on uploading Sponsor P&Ps, see **Sec 4.1 Upload & Manage Sponsor P&Ps.**)

Instructions:

1. On the **myProject™** Home Screen, select "Submit a PAR".
2. Select "**PAR for a New Standard**" under "PAR Requests" then click "**NEXT**".

The screenshot shows a web interface with two columns: 'PAR Requests' and 'PAR Actions'. Under 'PAR Requests', there are five radio button options:

- PAR for a New IEEE Standard (highlighted with a red arrow): A document that does not replace or modify another standard.
- PAR for a Revision to an existing IEEE Standard: A document that updates or replaces an existing IEEE standard in its entirety.
- PAR for a Corrigendum to an existing IEEE Standard: A document that only contains technical corrections to an existing IEEE standard.
- PAR for an Amendment to an existing IEEE Standard: A document that contains new material to an existing IEEE standard and may contain technical corrections to that standard.
- PAR for the Adoption of a Non-IEEE Standard

 Under 'PAR Actions', there are three radio button options:

- Modify an existing Approved PAR
- Extend an Approved PAR
- Withdraw an Approved PAR

 A blue 'NEXT >>' button is located at the bottom of the 'PAR Requests' column.

3. Select the appropriate working group by using the "+" to expand the Society/Sponsor Committee. *(This is the group that is responsible for supporting the work. By selecting the appropriate group, the Sponsor Chair and Working Group Chair are notified of the PAR submittal. The Sponsor Chair will need to accept the PAR in order for NesCom to approve it.)*
 - If the PAR is for a new working group that you need to create:
 - Select "**Request New Working Group**" next to the appropriate sponsor/committee.
 - When Prompted, enter the full name of the working group, e.g., "Implementing Technology To Limit Climate Change" and a short name, e.g., CCWG (will appear on PAR as PE/ED&PG/CCWG), then click "**NEXT**"
 - Review the information displayed and click "**NEXT**"
 - The sponsor chair will be notified of the new group and will need to approve it and assign a working group chair
 - If the PAR is for an existing working group:
 - Find the working group in the green area and click "**Select**"
 - Review the information displayed then click "**NEXT**"
 - **If the any Working Group information is incorrect or blank, contact the Sponsor Chair. This information must be corrected before submitting a PAR.**

5.2 Saving, Editing, Sharing and Deleting a Draft PAR

You can save a PAR at any time as a draft and return to it later, share it, or delete it.

Applicable Users:

- IEEE-SA Members

Instructions:

1. Click **"SAVE AND COME BACK LATER"** on any PAR page.
 - **NOTE:** All fields on a page must be completed, or nothing from that page will save
2. When you are ready to resume, go to the myProject™ Home page and select **"Manage My PARs"**

6. To permanently delete a draft PAR, click **"delete"**

5.3 Submit a PAR for a Revision, Corrigendum, or Amendment

These forms are similar PARs for a new standard but are for PARs to change existing IEEE standards. Revisions are documents that replace the current standard, corrigenda add technical corrections, and amendments are other additions or corrections to the standard.

Applicable Users:

- IEEE-SA Members

Instructions:

1. On the **myProject™** Home Screen, select "**Submit a PAR**".
2. Select "**PAR for a Revision...**", "**PAR for a Corrigendum...**" or "**PAR for an Amendment...**" under "PAR Requests", then click "**NEXT**".

7. Review the information displayed on the subsequent pages; some fields may be pre-filled with information from the existing PAR.
8. Modify the information or fill in fields as needed then click "**NEXT**" to move to the next page.
 - Be sure to list what is being modified and the reasons for the modifications.
 - After you complete a page, you can save your PAR and return to it later. For more detailed instructions, see sec. 5.2
9. When you get to the last page, you will be able to review the PAR before submitting.
10. Click "**Submit to NesCom Administrator**" to submit the PAR.
11. The PAR will now be added to the next NesCom agenda and notifications will be sent to the Working Group Chair, Sponsor Chair, Staff Liaison, and NesCom Administrator.
 - **NOTE:** Once you approve and submit the information, changes may only be made through the NesCom Administrator.

5.5 Extend an Existing PAR

PARs are only valid for 4 years. If the working group needs more time to draft the standard, an extension must be filed and approved by NesCom before the PAR expires.

Applicable Users:

- IEEE-SA Members

Instructions:

1. On the **myProject™** Home page, select "**Submit a PAR**".
2. Select "**Extend an Approved PAR**" and click "**NEXT**".

PAR Requests

- PAR for a New IEEE Standard
A document that does not replace or modify another standard.
- PAR for a Revision to an existing IEEE Standard
A document that updates or replaces an existing IEEE standard in its entirety.
- PAR for a Corrigendum to an existing IEEE Standard
A document that only contains technical corrections to an existing IEEE standard.
- PAR for an Amendment to an existing IEEE Standard
A document that contains new material to an existing IEEE standard and may contain technical corrections to that standard.
- PAR for the Adoption of a Non-IEEE Standard

PAR Actions

- Modify an existing Approved PAR
- Extend an Approved PAR
- Withdraw an Approved PAR

6. Click "**OK**" to submit the withdrawal request.
7. The PAR withdrawal will now be added to the next NesCom agenda and notifications will be sent to the Working Group Chair, Sponsor Chair, Staff Liaison, and NesCom Administrator.

5.7 Accept or Reject a PAR

After the PAR is submitted, it will tentatively be placed on the agenda for the next NesCom meeting. The PAR must be accepted, however, by the Sponsor Chair or Standard representative before the NesCom meeting.

Applicable Users:

- Sponsor Chair, Standard Representative

Notes:

- The PAR will not be put onto the final NesCom agenda without sponsor approval. If the sponsor fails to approve the PAR, it will move to the following NesCom meeting agenda.
- If you require changes to the PAR before accepting, please contact the NesCom Administrator to make those changes. Rejecting the PAR may delay approval.

Instructions:

1. On the **myProject™** Home page, select **“Manage My PARs”**.
2. Under the **“Submitted PARs”** section, click **“accept”** or **“reject”** next to the PAR to accept or reject that PAR.
3. You can also click on the PAR number to view the PAR as well as reading and making comments by clicking on the comments number.

Submitted PARs

The PARs listed on this page require some action by you (the Sponsor or Standards Representative).

ACTIONS:

- Accept : Acceptance of the PAR by the required cutoff date of the next NesCom meeting. If you choose to accept, the PAR will be added to the next NesCom meeting agenda. Once accepted, the options available to the Sponsor will be changed to “Remove from Agenda”.
- Reject : If you choose to reject the PAR, it will be returned to the submitter.
- Remove Sponsor Authorization: Allows you to remove a previously accepted PAR from the NesCom Agenda.

COMMENTS:

If comments are available regarding the PAR, you will view and respond to them here.

5.8 Commenting and voting on a PAR

Once the PAR is submitted, there will be a review period where NesCom members can make comments and vote on the PAR.

Applicable Users:

- NesCom Members

Notes:

- The NesCom Administrator must approve all comments before they are visible to the submitter.

Instructions:

- On the **myProject™** Home Screen, select "**NesCom Member Area**".

5.10 Respond to NesCom Comments About a PAR

Once the PAR is submitted, there will be a review period where NesCom members can comment on the PAR. The comments will be moderated by the NesCom administrator, who is also responsible for making any changes to the PAR before the NesCom meeting.

Applicable Users:

- Par Submitter, Sponsor Chair, Standard Representative, Working Group Chair

Notes:

- Failure to respond to a comment may result in deferral of the PAR to the next NesCom agenda.
- Only the NesCom administrator can make changes to the PAR at this stage. Your agreement with requested changes or submission of new wording can be included in your dialog response. If the changes are extensive, respond to the comment and email your changes to the NesCom administrator (nescom-admin@ieee.org)

This project had received two previous extensions of one year each. Were those extensions also due to the WG Chair not being able to move the balloting forward?

6 Sponsor Balloting

Once a draft document is stable, it is ready for balloting. A ballot invitation must be initiated, a ballot group formed and a ballot initiated. The draft must receive a consensus approval or be recirculated until one is obtained.

Relevant Sections of the myProject™ User Guide:

- MEC – **6.1 Submit a Draft for MEC**
- Ballot Invitation – **6.2 Initiate Ballot Invitation**
- Ballot Group Formation – **6.4 Join a Sponsor Ballot (Individual Balloting), 6.5 Pay to Join a Single Ballot (Individual Balloting), 6.6 Join a Ballot (Entity Balloting)**
- Balloting – **6.10 Initiate Sponsor Ballot, 6.11 Vote and/or Comment on a Ballot**
- Comment Resolution – **6.15 Submit Rogue Comment**

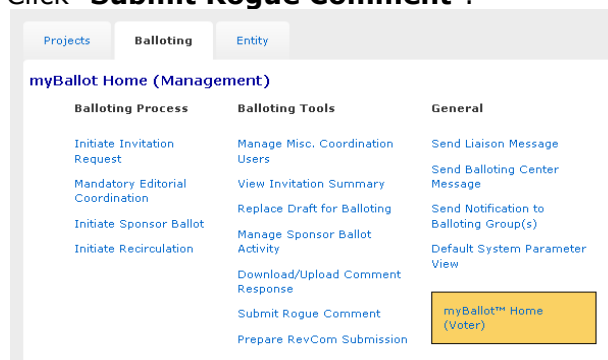

This feature can be used to submit comments that have been received by the Working Group outside of the myProject™ system. These comments cannot be marked as “Must Be Satisfied”, but will become part of the record that is submitted to RevCom.

Applicable Users:

- Sponsor Chair, Working Group Chair/Officer

Instructions:

1. On the **myProject™** Home Screen click the “**Balloting**” tab.
2. Click “**Submit Rogue Comment**”.

3. Select the PAR/Standard you would like to submit comments for and click "OK".

4. Fill out the form to enter a single comment.

6.1 Submit a Draft for MEC

Mandatory Editorial Coordination (MEC) is required prior to the start of a Sponsor Ballot. MEC ensures conformance with all IEEE requirements. Review of your draft and permission letters will reduce the number of recirculations and help to avoid delays in approval or possible rejection by RevCom.

Applicable Users:

- Sponsor Chair, Standard Representative, Working Group Chair, Sponsor Ballot Designee

Notes:

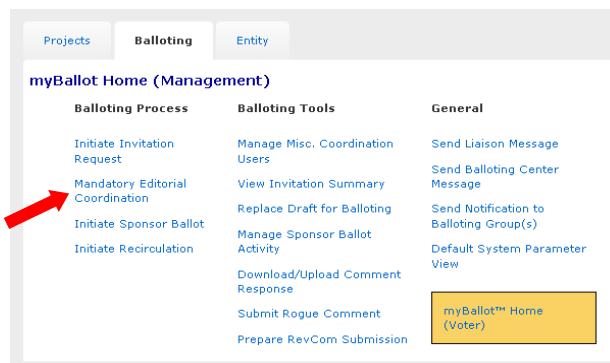

- The Mandatory Editorial Coordination (MEC) should be initiated by the start of the ballot invitation.
- Be sure to include all copyright permissions letters at this time.

Instructions:

1. On the **myProject™** Home Screen click the **“Balloting”** tab.

2. Click **“Mandatory Editorial Coordination”**.

3. Complete the form displayed, making sure to fill out all relevant fields. Make sure to select the correct staff liaison. Liaisons for your working group can be found here: <https://development.standards.ieee.org/pub/liasons>

4. Click the "**Browse...**" button to select your file for upload. If you are including copyright permissions letters or other additional files, you will need to create a .zip file and upload a single file.
5. Click "**Upload selected file now**" to submit the form, upload your file and notify your Staff liaison.

6.2 Initiate Ballot Invitation

The first step in sponsor balloting is forming the ballot group. In order to form this group, a ballot invitation must be initiated. All users who have expressed interest in the project through myProject™ will be notified of the ballot group formation. During the invitation period, typically 30 days, individuals (or entity representatives) can join the balloting group, change their voter classification, or withdraw from the ballot. Working Group officers should monitor the group for balance during this period.

Applicable Users:

- Sponsor Chair, Standard Representative, Working Group Chair, Sponsor Ballot Designee

Notes:

- The MEC should be initiated before the ballot invitation is sent out. For more information on submitting a draft for MEC, see **Sec 6.1 Submit a Draft for MEC**.
- The invitation will not open until your staff liaison reviews and sends the invitation.
- Sponsor balloting must begin within six months of the invitation. If sponsor balloting does not begin within six months, the ballot group must be re-formed.

Instructions:

1. On the myProject™ Home Screen click the “**Balloting**” tab.

2. Click “**Initiate Invitation Request**”.

3. Complete the fields and click **"NEXT"**.
 - **Project:** Select the project from the drop-down menu.
 - **Ballot Type:** Select the type from the drop-down menu.
 - **Length of Your Invitation:** Enter the length of the invitation, a minimum of 15 days is required; 30 is preferred.

[myBallot Home \(Management\)](#) >> [Initiate Invitation Request](#)

Step 1 / 4

Please fill in this form to begin processing your IEEE Standards Sponsor Ballot Invitation.

A pre-ballot review of your draft is strongly recommended. Please [fill out this form](#) to receive a pre-ballot review.

A copy of your PAR may aid in submitting this form. For your convenience a copy of the PAR is available at the [PAR Approvals/History](#) site.

IEEE Standards balloting groups are usually formed by sending out invitations to existing IEEE Standards Invitation pools. Those who are eligible and respond to the invitation become the balloting group for your specific IEEE Standards Sponsor ballot (as per [IEEE-SA Standards Board Bylaws](#)).

Invitations are usually made available for a 30-day period.

Please fill out all fields in this form to begin processing your IEEE Standards Sponsor Ballot Invitation. When complete this information will be sent to your IEEE staff liaison. It normally takes 3-5 business days to process a ballot invitation request. If you have any questions, please contact your [IEEE Standards Staff Liaison](#).

Voter Classifications

Below are the voter classifications for this ballot. Remember, you must have at least three voter classification chosen to submit this request.

[Add New Voter Classification](#)

Classification ▲	Definition	Actions
Academic	An educational institution or a person or entity affiliated with such institution, providing academic review of the standard being developed.	edit, delete
General Interest	A participant in standards activities that may benefit directly or indirectly, and may be affected by the standard being developed without being primarily a member of any of the other interest categories defined for this ballot.	edit, delete
Government/Military	A governmental entity or a person affiliated with such entity with direct interest in the standard being developed.	edit, delete
Producer	A person or entity that directly creates or that will create a conformant product, component, or service, for sale or distribution.	edit, delete
User	A person or entity that relies or will rely on the standard to define conformance of the product or service, and to create a common understanding of the operation of the product or service.	edit, delete

6. Verify the Invitation information.

- Review the invitation. Use the **"BACK"** button to make changes.
- For most ballots, do not include an attachment.
- Additional description can be added in the **"Sponsor Text"** area.
- Do not attach published standards or drafts, necessary documents will be made available in myProject™ once the ballot has opened.
- Click **"OK"** to complete the invitation process.

6.3 Reopen/Extend Ballot Invitation

This option is for extending a ballot invitation to allow potential balloters more time to join the ballot group or change their voter classification.

Applicable Users:

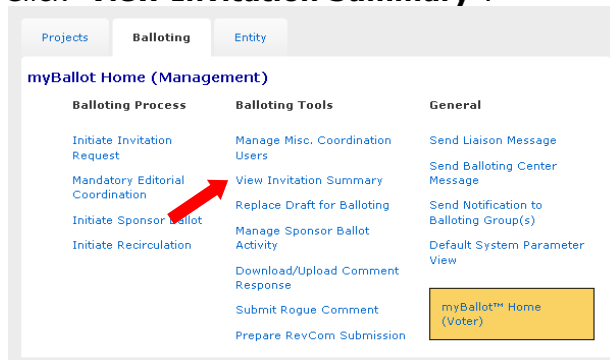

- Sponsor Chair, Standard Representative, Working Group Chair, Sponsor Ballot Designee

Notes:

- This can only be done during the invitation period or **before** the ballot opens (PreBallot stage).

Instructions:

1. On the **myProject™** Home Screen click the **“Balloting”** tab.
2. Click **“View Invitation Summary”**.

3. Locate the project and click **“extend invitation”** under the **“Actions”** column.

6.4 Join a Sponsor Ballot (Individual Balloting)

Applicable Users:

- All IEEE-SA Members

Notes:

- You are required to be an IEEE-SA member or pay a per-ballot fee to join an IEEE-SA ballot.
- Joining a ballot allows you to vote and submit comments when the project opens for balloting.
- Balloting group members have an obligation to respond during the balloting period; failure to return a ballot may disqualify the balloter from participation in future balloting groups.
- You can easily add or remove yourself from a balloting group, but only while the balloting group is forming. Your participation is fixed after the ballot invitation closes.

Instructions:

- On the **myProject™** Home Screen click the **"Balloting"** tab.
- If you have sponsor authority (e.g. sponsor chair, working group chair, sponsor ballot designee), select **"myBallot™ Home (Voter)"**.

- Select **"Show/Join Open Ballot Invitations"**.

- On this screen you will initially see open ballot invitations that are tied to your selection(s) under **"Manage Activity Profile"**. Check the box next to **"Show all open ballot invitations"** to see all ballot invitations you are eligible to join.

[myBallot™ Home \(Voter\)](#) >> [Show/Join Open Ballot Invitations](#)

The list below consists of projects/standards in the "invitation" stage of activity areas in which you have indicated an interest. Optionally, you may show all open Ballot Invitations.

Projects on this list are forming and accepting new participants until the "invitation close" date/time shown. To become a participant in a ballot group forming below (and thus be afforded the opportunity to vote/submit comments when the balloting project opens for ballot), click the "Join" link in the Actions column and follow the instructions.

You can also easily remove yourself by clicking the "Remove" link in the Actions column. You can remove yourself from the balloting group only while it is in formation -- after the invitation close date/time, your participation is fixed.

<input type="radio"/> User	A person or entity that relies or will rely on the standard to define conformance of the product or service, and to create a common understanding of the operation of the product or service.

- Click "OK" to complete joining the ballot.

6.5 Pay to Join a Single Ballot (Individual Balloting)

Applicable Users:

- All Non IEEE-SA Members.

Notes:

- You are required to be an IEEE-SA member or pay a per-ballot fee to join an IEEE-SA individual ballot group.
- Joining a ballot group allows you to vote and submit comments when the project opens for balloting.
- You can easily add or remove yourself from a balloting group, but only while the balloting group is forming. Your participation is fixed after the ballot invitation closes.
- Be sure to leave enough time to process your payment/membership before the close of the ballot invitation.
- While you do not have to be an IEEE member or IEEE Society member to join the SA, it is far more cost effective to do both:
 - IEEE-SA membership entitles you to unlimited individual balloting.
 - If you currently are or become an IEEE Member or Society Member, you can add SA membership to your IEEE Membership or Society Membership. For 2012, it is \$49.00 for IEEE-SA membership in addition to the cost of your IEEE membership or Society membership.
 - Joining the IEEE-SA alone is \$229 for calendar year 2012.
 - The most expensive option is to join a single ballot. For 2012, the cost is \$280.00 per ballot, and it entitles you to join just one ballot group and any recirculations of that ballot. To take advantage of this service which is unavailable online, complete the form at least 5 working days prior to invitation closing to allow time for processing.
 - More information on membership can be found at: <http://standards.ieee.org/membership/>

Instructions:

1. On the **myProject™** Home Screen click the "**Balloting**" tab.
2. Select "**Join Single Ballot**".

3. Fill out the form to submit your information electronically or click "**print & mail**" to print the form and follow the instructions on the page to mail in your request.

4. Click **"OK"** when done. The form will automatically be sent to the IEEE-SA Balloting Center, which will process your request for the per-ballot fee. During this period, you will be contacted by the IEEE-SA Balloting Center requesting your "classification category selection" for the ballot (e.g., user, producer, general interest, academic), as this must be entered into myProject by Balloting Center staff. If you have any questions or require assistance, please send an email to: sa-ballot@ieee.org

6.6 Join a Ballot (Entity Balloting)

Participation in Entity Ballots is limited to IEEE-SA Entity Members. These entities are represented by an EBR (Entity Ballot Representative) and EBRA (Entity Ballot Representative Alternate). Any employee of the Entity Member institution may enroll as the EBR or EBRA if the slot has not already been filled. Only the EMR (Entity Member Representative) has the ability to replace the EBR or EBRA.

Applicable Users:

- EBR (Entity Ballot representative) or EBRA (Entity Ballot Representative Alternate) of an IEEE-SA Entity Member.

Notes:

- Joining a ballot allows you to vote and submit comments when the project opens for balloting.
- You can easily add or remove yourself from a balloting group, but only while the balloting group is forming. Your participation is fixed after the ballot invitation closes.
- **Each entity shall name one primary voting representative and, optionally, one alternate voting representative. Only a ballot from one of these representatives will be accepted.** If ballots are received from other parties, they will not be counted. If ballots are received from both the primary voting representative and the alternate voting representative, only the vote from the primary voting representative will be counted.
- **By joining a ballot, you will automatically be entered as the EBR if one has not already been entered.** If the EBR slot is filled, you will be entered as EBRA. If both slots are filled, you will be added to a waiting list.
- Each primary and alternate voting representative can ballot for only one entity; no individual can represent the interests of more than one entity.

Instructions:

1. On the **myProject™** Home Screen click the "**Entity**" tab.
2. Select "**Entity Project Enrollment**".

3. Check the "**Join/Remove Interest Area**" box to the left of the project(s) you are enrolling, select your affiliation for that project from the "**Affiliation**" drop-down box on right, and click "**OK**".
 - Your affiliation must be an entity member. Entity members have "(Entity Member)" at the end of their names in the drop-down box.
 - Entities can be represented in a ballot group by a maximum of two individuals: a primary member and an alternate member. If your affiliate is already represented in the ballot group in those two roles, you will be asked if you wish to join a wait list.

6.7 Manage Ballot Representatives (Entity Balloting)

Participation in Entity Ballots is limited to IEEE-SA Entity Members. These entities are represented by an EBR (Entity Ballot Representative) and EBRA (Entity Ballot Representative Alternate). Any employee of the Entity Member institution may enroll as the EBR or EBRA if the slot has not already been filled. Only the EMR (Entity Member Representative) has the ability to replace the EBR or EBRA.

Applicable Users:

- EMR

Notes:

- Users must already be enrolled in the entity project to be added as EBR or EBRA and it is recommended that they enroll themselves as EBR and EBRA. For more information on joining an entity ballot, see **Sec 6.6 Join a Ballot (Entity Balloting)**

Instructions:

1. On the myProject™ Home Screen, click the “**Entity**” tab.
2. Click “**Manage your company**”.

3. Click “**manage ballot**” next to the project ballot you want to manage.

6.8 Remove Yourself from a Ballot

Applicable Users:

- IEEE-SA members currently enrolled in a ballot

Notes:

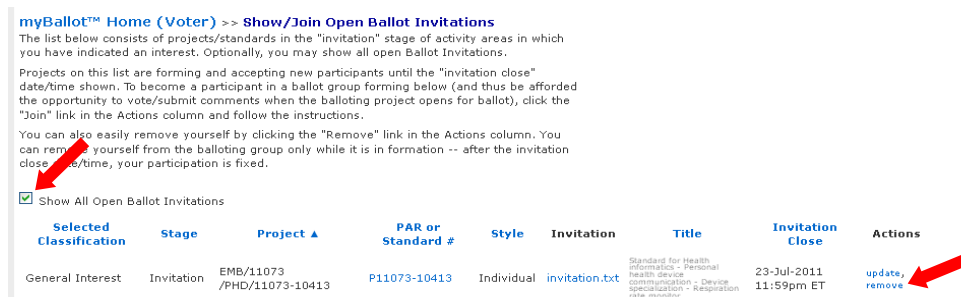

- You can easily remove yourself from a balloting group, but only while the balloting group is forming.
- Your participation is fixed after the ballot invitation closes.
- If you have paid a per-ballot fee or your membership is processing, you will not be able to remove yourself from a ballot. IEEE-SA balloting center staff must make any necessary changes. Contact balloting center at: sa-ballot@ieee.org
- Instructions for Entity Balloting are the same, but ballots are accessed through the **"Entity"** tab instead of the **"Balloting"** tab.

Instructions:

1. On the **myProject™** Home Screen click the **"Balloting"** tab.
2. If you have sponsor authority (e.g. sponsor chair, working group chair, sponsor ballot designee), select **"myBallot™ Home (Voter)"**.
3. Select **"Show/Join Open Ballot Invitations"**.

4. On this screen you will initially see open ballot invitations that are tied to your selection(s) under **"Manage Activity Profile"**. Check the box next to **"Show All Open Ballot Invitations"** to see all ballot invitations you are eligible to join.
5. Click **"remove"** next to the project you wish to remove yourself from.

6. Click **"OK"** to confirm your removal.

6.9 Change Your Voter Classification

Applicable Users:

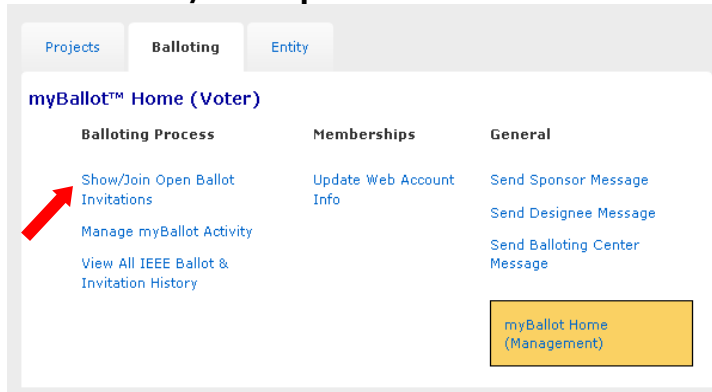

- IEEE-SA members currently enrolled in a ballot

Notes

- You may change your voter classification for any single ballot during an invitation period only.
- If you have paid a per-ballot fee or your membership is processing, you will not be able to change your voter classification. IEEE-SA staff must make any necessary changes.
- Instructions for Entity Balloting are the same, but ballots are accessed through the "Entity" tab instead of the "Balloting" tab.

Instructions:

1. On the **myProject™** Home Screen click the "Balloting" tab.
2. If you have sponsor authority (e.g. sponsor chair, working group chair, sponsor ballot designee), select "**myBallot™ Home (Voter)**".
3. Select "**Show/Join Open Ballot Invitations**".

4. On this screen you will initially see open ballot invitations that are tied to your selection(s) under "**Manage Activity Profile**". Check the box next to "**Show all open ballot invitations**" to see all ballot invitations you are eligible to join.

5. Click "**update**" next to the project you wish to remove yourself from.
6. Select your new classification under the "**Classification**" column.
7. Click "**OK**" to save your changes.

6.10 Initiate Sponsor Ballot

Once the ballot invitation is closed, and the ballot group has been balanced, it is time to prepare the final draft and initiate the ballot.

Applicable Users:

- Sponsor Chair, Standard Representative, Working Group Chair, Sponsor Ballot Designee

Notes:

- Ballots cannot be opened unless all permission letters for borrowed material have been received, reviewed and approved by staff.
- The ballot will not actually open until your staff liaison approves the uploaded draft.
- A cover letter is not required.

Instructions:

1. On the **myProject™** Home Screen click the **"Balloting"** tab.
2. Click **"Initiate Sponsor Ballot"**.

3. Select your project from the PAR drop down list.
4. Enter the **"Ballot Open Date"**.
5. Enter the **"Ballot Close Date"** (should be a minimum of 30 days).
6. Enter the **"Draft #"** (must match the draft number in the draft).
7. **Select File for Uploading:** Click the Browse... to find your draft file. The file must be in PDF format.
8. Review the system generated text. If you would like to add additional instruction or information, use the **"Sponsor Text"** Area.
9. Click **"Initiate Ballot"**.

6.11 Vote and/or Comment on a Ballot

Applicable users:

- myProject™ users currently enrolled in a ballot

Notes:

- Instructions for Entity Balloting are the same, but ballots are accessed through the “**Entity**” tab instead of the “**Balloting**” tab.
- You must follow some rules for uploading multiple comments, and strictly adhere to the formats presented in the “Data Field Descriptions”. Failure to do so will, at best, result in difficulties with the upload and, at worse, could cause your upload to be rejected or partially uploaded.
- You must use a blank template when uploading comments. Files containing comments already uploaded will be rejected.

Instructions:

1. On the myProject™ Home Screen, click the “**Balloting**” tab.
2. If you have sponsor authority (e.g. sponsor chair, working group chair, sponsor ballot designee), select “**myBallot Home (Voter)**”.
3. Select “**Manage myBallot Activity**”.

4. On this screen, you will see all active ballots that you have participated in (check “include Inactive ballots” to show all ballot history). You can view the draft document by clicking on the file under the draft number.
5. If the project is in the balloting stage, you will see a dropdown box under the “Vote” column. Select your vote and click “**OK**” so save.

6.12 Change (Flip) a vote

After balloting closes, voters who have voted "Disapprove", may "flip" their vote to either "Approve" or "Abstain" at any time before recirculation or the RevCom meeting.

Applicable users:

- myProject™ users who have voted "Disapprove" on a ballot.

Notes:

- You will receive notification of your vote change. This notification will be included with the RevCom submission.
- You may only change you vote once using this feature. You will not be able to change the vote back to "Disapprove".
- **Instructions for Entity Balloting are the same, but ballots are accessed through the "Entity" tab instead of the "Balloting" tab.**

Instructions:

6.16 Comment Resolution

6.16.1 Resolution Status Definitions

The IEEE-SA has not defined the meaning of the Resolution Status to give a leeway to the committee. Here are some guidelines:

Accepted – The committee agrees with the comment and implements change exactly as suggested.

Revised – The ballot resolution committee accepts the suggested remedy in principle. This means that the ballot resolution committee will make a change to the draft based on a revision of the suggested remedy. The Resolution Detail field shall provide sufficient detail for ballot group members to understand the revision of the suggested remedy provided by the commenter.

Rejected – The ballot resolution committee does not accept the suggested remedy. The Resolution Detail field shall provide sufficient detail for ballot group members to understand the rationale for this rejection.

The following resolution status values are obsolete beginning 1 June 2011: For all initial and recirculation ballots in process at the time of the roll-out (1 June 2011), the "OLD" Resolution Status options will be used. For all ballots that start after the roll-out (initial and recirculation), only the "NEW" Resolution Status options will be used.

For bulk comment files, here are the find/replace operations you may need to do if you completed the field with "old" responses and need to convert to "new" responses.

(1) Highlight the Resolution Status column and perform the 'find/replace' procedure with the following:

(2) Replace Agree with Accepted.

(3) Replace Principle with Revised

(4) Replace Disagree, Out of Scope and Unresolvable with Rejected

*NOTE: Verify that the Resolution Details are accurate or make sense after the replacements are made. Suggest adding the text "out of scope" for "unresolvable" to the Resolution Details where applicable

Disagree/D: committee does not agree with the comment.

Out of Scope/OOS: comment may refer to something that is not available for comment at this time /comment is outside of the scope of the document or recirculation. Note: The section of the document that was not commented on the first review is recognized as approved section and the negative comment on the recirculation may not be recognized unless majority of WG/BRC (Ballot Resolution Committee) feels the need to address the comment.

Principle/P: committee agrees in theory but does not agree with the change or the other way around. In any case, a detail response needs to be made to state your action.

Unresolvable: comment cannot be resolved (may be too broad or vague) or the chair has unsuccessfully attempted to contact the commenter to resolve the issue.

6.16.2 Respond To Ballot Comments Individually

Applicable Users:

- Working Group Chair, Sponsor Ballot Designee

Notes:

- All comments must be responded to. The response should show that the comment was seriously considered (myProject will accept a resolution status without any detail but RevCom will look for the details).

Instructions:

1. On the **myProject™** Home Screen click the **“Balloting”** tab.
2. Click **“Manage Sponsor Ballot Activity”**.

3. Find the project you want to manage and click the number under the **“Comments”** column to view the comments.

6. View the comments in myProject and make sure your comments were uploaded correctly (See Sec 6.16.2 for more detail).

6.17 Replace a Draft for Balloting

Applicable Users:

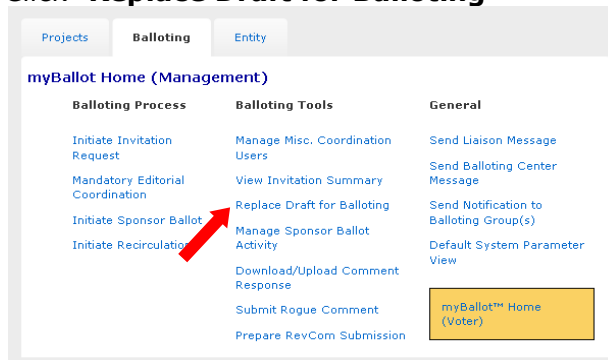

- Sponsor Chair, Standard Representative, Working Group Chair, Sponsor Ballot Designee

Notes:

- Files must be in PDF or ZIP format.
- The draft must be approved by the Staff Liaison before balloting/recirculation.

Instructions:

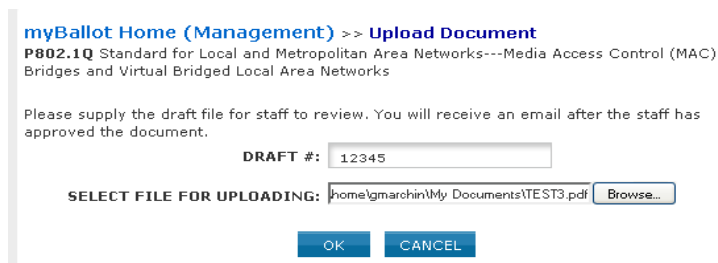

1. On the **myProject™** Home Screen click the **"Balloting"** tab.
2. Click **"Replace Draft for Balloting"**

3. Select the PAR from the drop-down box and click **"OK"**.

4. Enter the new draft number and click **"Browse..."** to select the new draft file.

5. Click **"OK"** to submit the new draft.

6.18 Initiate Recirculation

A recirculation is needed when:

- Substantive changes were made since the last balloted draft (whether triggered by comments accompanied with YES or NO votes).
- Comments are received from IEEE-SA editors marked “must be satisfied” (MBS).
- A recirculation resulted in negative votes with new comments within the scope of the recirculation.

On a recirculation, a vote shall be based only on the changed portions of the balloted document, clauses affected by the changes, or portions of the balloted document that are the subject of the unresolved negative votes

Applicable Users:

- Sponsor Chair, Standard Representative, Working Group Chair, Sponsor Ballot Designee

Notes:

- A cover letter is required.
- The recirculation must be approved by the Staff liaison.

Instructions:

6. On the **myProject™** Home Screen click the “**Balloting**” tab.
7. Click “**Initiate Recirculation**”.

8. Select the PAR from the drop-down box and click “**OK**”.
9. Complete the fields, click “**Browse...**” to select files, making sure to include:
 - Cover letter stating the reason for recirculation. Click the “view a sample cover letter” link to view/download a sample cover letter that you can use as a template.
 - Draft number, if changes have been made. This number must match the draft number on the file being uploaded.
 - New draft in PDF format, if changes have been made. If a draft is not provided, the system will assume you did not make any changes to the draft since it was last balloted. If this is the case, the last balloted draft will be available to the ballot group during the recirculation ballot.
 - Additional files you wish the ballot group to review (optional). You can only upload one file; if you want to include multiple files, create a .zip file first and upload that.
 - Number of days you want the recirculation ballot to remain open (minimum 10).

6.19 Request a Ballot Reset or Termination

Resetting a ballot will delete any votes and comments made and will return the ballot to the stage after invitation. Terminating a ballot means that the ballot group has been disbanded. A request will be sent to Balloting Center staff, who will reset or terminate the ballot.

Applicable Users:

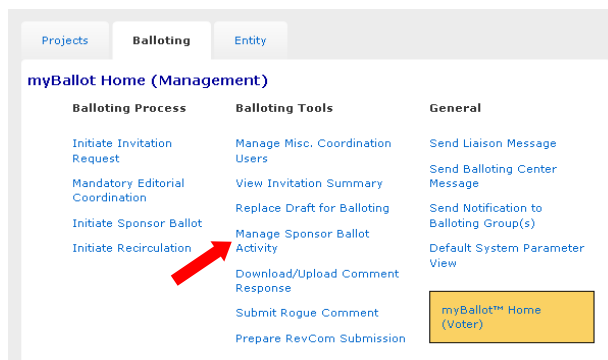

- Sponsor Chair, Standard Representative, Working Group Chair, Sponsor Ballot Designee

Notes:

- You must supply a reason for resetting/terminating the ballot.
- **When reset, the ballot must be opened again and a draft uploaded but the ballot group will be maintained.**
- **When reset, even though the number under the column heading "Invitations Sent" will say "0" it does not mean that the ballot pool is not intact.**
- A ballot may not be reset after a recirculation has begun.
- When terminated, the ballot must re-start from the invitation stage and all individuals must re-enroll in the ballot at that time.
- You may terminate a ballot at any stage in the balloting process.

Instructions:

1. On the **myProject™** Home Screen click the **"Balloting"** tab.
2. Click **"Manage Sponsor Ballot Activity"**.

3. Find the ballot you want to terminate and click **"terminate ballot"** or **"reset ballot"** next to it.

7 RevCom Submission and Review

After a draft has been balloted and consensus reached, the project can be submitted for approval. The draft, along with information from the balloting process will be submitted for review by the RevCom (Review Committee). RevCom will then recommend approval of the standard to the Standards Board. Once the Standards Board approves the project, the draft becomes a standard and is ready to be prepared for publishing.

Relevant sections of the myProject™ user guide:

- Draft is Submitted - **7.1 Submit a Project to RevCom**
- RevCom Reviews Submission - **7.3 Vote and Comment on a Submission**
- Working Groups Provide Additional Information - **7.4 View RevCom Submission and Respond to Comments**

7.1 Submit a Project to RevCom

A balloted draft may be submitted to RevCom at any time after balloting or during a recirculation. Additional information on requirements for RevCom submission can be found here: <http://standards.ieee.org/about/sasb/revcom/revguide.html>

Notes:

- Additional documents and/or source files may be uploaded at any time. These files will be saved even if you do not complete the submission.
- **Source files include the Word or Framemaker files for the draft and all figures created outside of the Framemaker or Word document. These files are required and must be sent to editorial staff if they are not uploaded via myProject™.**

Applicable Users:

- Sponsor Chair, Standard Representative, Working Group Chair, RevCom Designee

Instructions:

1. On the **myProject™** Home Screen click the **"Balloting"** tab.
2. Click **"RevCom Submission"**.
3. Click **"submit to RevCom"** next to the PAR/Standard you would like to submit.

RESOLUTION OF COMMENTS AND NEGATIVE VOTES

All balloting group members, observers and coordinating groups have been advised of substantive changes made with respect to the balloted draft standard (in response to comments, in resolving negative votes, or for other reasons) and have received copies of all unresolved negative votes with reasons from the negative voter and the rebuttal, and have been advised that they have an opportunity to change their votes.

Have unresolved comments accompanying negative votes been circulated?

Yes No No Unresolved Comments from Negative Voters

Have substantive document changes been circulated?

Yes No No Substantive Changes

REGISTRATION ISSUES

Did the PAR indicate possible registration activity related to this project, did the IEEE Registration Authority Committee (RAC) request coordination, or is the registration of objects and/or numbers included in the proposed standard?

Yes No

Is the intent to submit this standard for fast-track adoption, or was this standard jointly developed with another organization, a revision to a standard previously adopted by another organization or will this standard form the basis of, or be included in, another organization's standard?

Yes No

PROJECT SUBMISSION

Note: My Patents Letter of Assurance (LOAs) received by the Sponsor are to be forwarded to the PatCom Administrator.

I attest this draft standard has been developed in accordance with the policies and procedures of the Sponsor and I am authorized by those policies and procedures to make this submittal.

8 User Roles

8.1 Volunteer User Roles

General User - This is default user type if a user is not an IEEE-SA member and has not been given any additional authority. As a general user, you can:

- Register as interested in a Sponsor, Working Group or Project and be assigned an involvement level
- View Active PARs, Sponsor P&Ps and Society-Staff Liaisons
- Create a PAR (but not submit)
- Send a message to a Sponsor
- Join a single Ballot and vote/comment on that ballot (for a fee)
- View all ballot and invitation history
- Access membership information
- Send a message to the balloting center
- Enroll as DR/DRA or EBR/EBRA (if employed by an Entity Member Organization)

IEEE-SA Member – IEEE-SA Members can:

- Register as interested in a Sponsor, Working Group or Project and be assigned an involvement level
- View Active PARs, Sponsor P&Ps and Society-Staff Liaisons
- Submit a PAR
- Send a message to a sponsor
- Join a Ballot
- Vote/Comment on a ballot
- Send a message to the balloting center
- Enroll as DR/DRA or EBR/EBRA (if employed by an Entity Member Organization)

Sponsor Chair/Standard Representative – Sponsor Chairs/Standard Representatives have all abilities of IEEE-SA Members plus:

- Accept/Reject a PAR
- Manage Roster involvement for Sponsor, Working Groups and Projects
- Manage Officers for Sponsor, Working Groups and Projects (only Sponsor Chair can manage Standard Representative)
- Send notifications to a Group (Sponsor, Working Group)
- Initiate Ballot Invitation Requests
- Submit a draft for MEC
- Initiate a Sponsor Ballot
- Initiate Recirculation
- Manage Misc Coordination
- View Invitations
- Replace Drafts for Balloting
- View ballot Activity and respond to comments
- Submit Rogue Comments
- Prepare for RevCom Submission
- Send Notifications to Balloting Groups

Working Group Chair/Officer – Working Group Chairs/Officers have all abilities of IEEE-SA Members plus:

- Manage Roster involvement for Sponsor, Working Groups and Projects
- Manage Officers for Sponsor, Working Groups and Projects (Chair Only)

- Send notifications to the Working Group
- Initiate Ballot Invitation Requests
- Submit a draft for MEC
- Initiate a Sponsor Ballot
- Initiate Recirculation
- Manage Misc Coordination
- View Invitations
- Replace Drafts for Balloting
- View ballot Activity and respond to comments
- Submit Rogue Comments
- Prepare for RevCom Submission
- Send Notifications to Balloting Groups

Designee – Designees (Sponsor Ballot Designee, Nescom Designee, Revcom Designee, Coordination Designee) will have all abilities of IEEE-SA Members plus access to features relevant to performing their specific function.

EMR – Entity member Representatives will have all abilities relevant to their personal roles plus:

- Manage Representatives for the Entity (DR/DRA)

DR/DRA – Designated Representatives/Alternates will have all abilities relevant to their personal roles plus:

- Participate in Entity Working Groups

EBR/EBRA – Entity Ballot Representatives/Alternates will have all abilities relevant to their personal roles plus:

- Vote/Comment on Entity Ballots

9 Glossary

Activity Area	A group of people with a common technical interest such as a Working Group, Sponsor, or project, joining an Activity Area is open to the public and merely expresses interest
Affiliation	An individual or entity that has been, or will be, financially or materially supporting an individual's participation in a particular IEEE standards activity, this is not necessarily the same as an employer
AudCom	Oversees the standards development activities of Societies, their standards-developing entities, and the Standards Coordinating Committees (SCCs) of the IEEE-SA Standards Board
Ballot	See Sponsor Ballot
Ballot Group	The list of individuals or entities formally approved to cast a yes/no/abstain vote during a ballot
Committee	A generic term referring to any group of people with a leader (e.g. Working Group, Study Group, Sponsor Executive Committee, SASB standing committee, adhoc, etc.)
CSM	Client Services Manager, an IEEE-SA staff member responsible for facilitating funded projects
CSV	Comma Separated Value, a file format that can be edited by spreadsheet programs like MS Excel
DR/DRA	Designated Representative/Designated Representative Alternate, the individual responsible for representing an Entity Member organization in an entity Working Group
EBR/EBRA	Entity Ballot Representative/Entity Ballot Representative Alternate, the individual responsible for representing an Entity Member Organization by casting a vote in a specific entity ballot
EMR	Entity Member Representative, the individual responsible for managing representatives of an Entity member Organization
Entity Member	Membership in the IEEE-SA by a company or other organization, only one vote may be cast by a single entity in an entity ballot
IEEE Web account	A single web account used for all IEEE web services
IEEE-SA	The IEEE Standards Association, the division of the IEEE responsible for creating and maintaining standards

Interested Party	An individual who has expressed an interest in the activities of an Activity Area, does not imply higher Involvement Levels in the area; this is a self-assigned level of involvement and cannot be removed by anyone other than the individual him/herself
Involvement Level	The classification of a user's involvement within a committee (e.g. Interested Party, Observer, Non-Voting Member, Voting Member)
MEC	Mandatory Editorial Coordination, required review by staff to verify all legal, copyright and other editorial matters related to a draft
myProject™	A set of web-based tools that facilitate the IEEE standards process
NesCom	New Standards Committee, serves as the gatekeeper for new and revised standards, recommending the approval of new or revised standards requests to the Standards Board
NesCom Administrator	IEEE-SA staff member responsible for facilitating activities of NesCom
Officer	Any member of a committee with a special role, e.g. Chair, Designee, Secretary
PAR	Project Authorization Request, PARs are used to authorize work on a new standard or revision to an existing standard
PDF	Portable Document Format, a file format used for sharing documents
Project	Projects are initiated when a PAR is submitted, a working group can be responsible for several projects
Recirculation	An additional round of voting on a Sponsor Ballot
RevCom	Review Committee, recommends the approval of standards to the Standards Board
Rogue Comment	A comment received on a sponsor ballot from someone outside of the balloting group or outside of the ballot or recirculation period
SASB	The IEEE-SA Standards Board
Society	IEEE technical societies
Sponsor	An entity authorized by the IEEE-SA Standards Board per the IEEE-SA Standards Board Bylaws to submit a PAR or conduct a Sponsor Ballot. This includes, but is not limited to, Society Sponsors (e.g. C/LM or C/MMSC), Standards Coordinating Committees, the Corporate Advisory Group and IEEE Councils such as the Nanotechnology Council.
Sponsor Ballot	The process of conducting the formal consensus ballot (as opposed to the actual yes/no vote that is the actual vote cast by a user)

Sponsor Ballot Designee	The individual responsible for handling the Sponsor Ballot activities for a specific project. By default, the Working Group Chair assumes these responsibilities
Sponsor Chair	The chair of record for a Sponsor as defined above
Staff Liaison	A member of the IEEE-SA staff responsible for guiding Sponsors and Working Groups through the standards process
Standards Board	Oversees the process and policies that support standards development
Standards Representative	The individual responsible for handling the standards activities within a Sponsor. By default, the Sponsor Chair is the Standards Representative.
Voter	An individual authorized to cast a vote on a Sponsor Ballot
Working Group	A formally recognized organization, usually under a Sponsor, responsible for the development of one or more standards projects
Working Group Chair	The chair of record for a Working Group as defined above
ZIP	A file format used to combine multiple files into a single, smaller file for purposes of uploading and downloading
