myProject™ >> Manage Activity Profile

In the list of Activity Areas below (initially a list of Societies) clicking on (+) will expand the selection into its constituent components as follows from which you may select the Technical Activity Areas in which you are interested from either a general interest standpoint or specific technical project in which you wish to be involved and presumably ballot.

Society	-- What you are Enrolling in --
<input type="checkbox"/> Sponsor	Enrollment as an interested party in general work of committee or indicating an interest in being notified on Ballot Invitations for all projects in a WG or all projects in a Sponsor.
<input type="checkbox"/> Working Group	
<input type="checkbox"/> Project	Enrollment as interested party in the detailed technical work of the committee and as a member in the specific Project's Ballot.

Please note that these selections will simply place you on the list of IEEE-SA recognized interested parties for that general or specific technical area. Whether or not you have become a member or voting member of the area depends on the membership criteria of that area. Please contact the respective Chair for further information or to request membership.
