What is eTools?

eTools is the Standard Association's collection of online tools and resources for standards developers.

MYPROJECT

myProject is the Standard Association's tool to allow you to better manage and keep up to date on projects and topics that you are interested in.

IMAT

IMAT allows Working Groups to setup meetings and record attendance.

MENTOR

mentor provides a secure area where Working Groups can manage documents outside of public view.

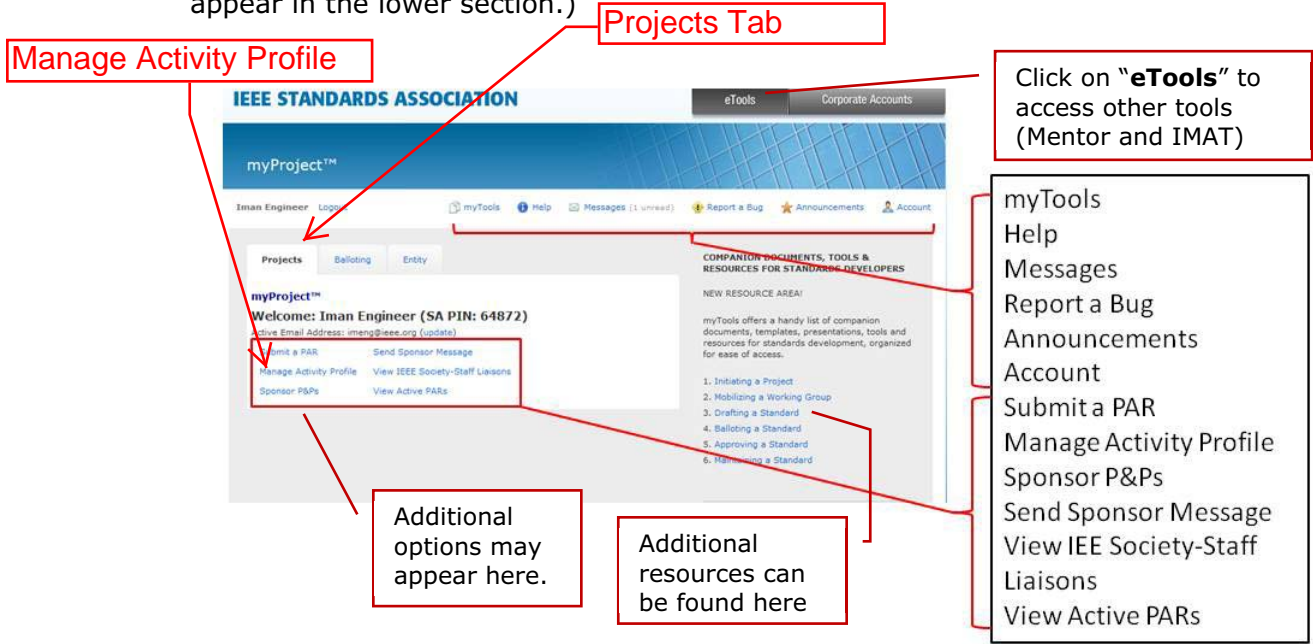

Copyright 2011 IEEE-SA

URL for Login

1. Go to <https://development.standards.ieee.org/my-site>.
 2. Enter your IEEE account username and password and click **"LOGIN."**
- If you do not have an IEEE web account, you can create one by clicking on the **"Need an IEE Web Account?"** link.

myProject Home Screen

The features shown in the screen shot and described in the table below are available to all users. (Additional features may be available based on your specific role and will appear in the lower section.)

Link	Description
myTools	This section will give you access to resources related to the standards process.
Help	Use this link to get the latest information and help related to the screen you are on.
Messages	This screen allows you to view all system notifications. You can also manage your email notifications here.
Report a Bug	This page lets you report a myProject bug to the system administrator.
Announcements	Breaking news about myProject may be found here.
Account	This area allows you to edit your IEE-SA contact information as well as manage your affiliations.
Submit a PAR	This link is for IEEE-SA Members who wish to submit a PAR for consideration by NesCom. It is used for all PAR requests/actions (modify, extend, withdraw).
Manage Activity Profile	Use this screen to join sponsor committees, working groups and projects of interest.
Sponsor P&Ps	This is a comprehensive list of IEEE Sponsor P&Ps (Policies and Procedures) including their acceptance status.
Send Sponsor Message	This feature can be used to send a message to a Sponsor Committee Chair or Working Group Chair.
View IEEE Society-Staff Liaisons	This link brings you to a list of all IEEE Society-staff liaisons.
View Active PARs	This screen provides a view and search function on all active PARs.

myProject™ >> Manage Activity Profile

Projects, Manage Activity Profile

In the list of Activity Areas below (initially a list of Societies) clicking on (+) will expand the selection into its constituent components as follows from which you may select the Technical Activity Areas in which you are interested from either a general interest standpoint or specific technical project in which you wish to be involved and presumably ballot.

- What you are Enrolling in --**
- Sponsor
Enrollment as an interested party in general work of committee or indicating an interest in being notified on Ballot Invitations for all projects in a WG or all projects in a Sponsor.
 - Working Group
Enrollment as interested party in the detailed technical work of the committee and as a member in the specific Project's Ballot.
 - Project

Please note that these selections will simply place you on the list of IEEE-SA recognized interested parties for that general or specific technical area. Whether or not you have become a member or voting member of the area depends on the membership criteria of that area. Please contact the respective Chair for further information or to request membership.
